

Happy
Birthday,

Boris!

What
could
possibly
go wrong?

by Sam
Lloyd

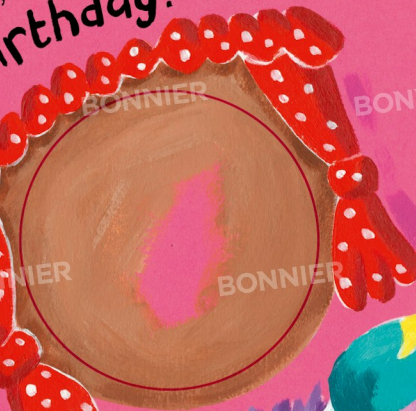

Wake up, Boris!
It's your birthday!

Let's help Boris get ready for his party
all his friends will arrive soon.
Can you make his fur
fabulous and fluffy?
Now check his
breath
is fresh.

Open wide, Boris
Ooh, you
smell lovely!

Boris's friends have brought him
lots of presents.
Boris is **SO** excited, things are
flying everywhere!

What a **mess!**
Calm down,
Boris!

Can you help Boris open his presents nicely?
"Thank you!" says Boris,
giving everyone a big, sloppy kiss.
kissy, kissy, kissy! kissy, kissy!

Now it's time for party games.
 Boris's favourite is musical statues,
 but he's **not** very good at it.
NO, Boris,
 you're supposed to **stay still!**

Boris runs around **shouting noisily.**
Calm down, Boris. Don't drink too much fizzy pop!

Boris doesn't listen.
He's got a funny fizzy feeling in his tummy.
He screws his mouth up VERY tightly - but he can't hold it in.

BURRRRRPPPPPP!

oh no!

Boris's monster burp
has sent all the party food
flying out the window.

"Sorry!" says Boris.
Don't worry, Boris.
Let's go outside and have a
birthday picnic instead.

YIPPEEE!! It's time for the cake.
Let's Sing Happy Birthday to Boris. Boris joins in too!
Now he needs to blow out the candles.
Big breath...
1, 2, 3 BLOW!

Well done, Boris.
You can have
a big slice of cake.
"Deeeelicious!" says Boris
"Happy Birthday to ME!"
KISSY, KISSY, KISSY!
