

Touch and Trace

In the Garden

Hannah + Holly

snail

Wriggle through the soil and follow me...

beetle

Let's explore the garden, what can you see?

worm

grasshopper

mouse

Scurry through the meadow and skip through the grass.

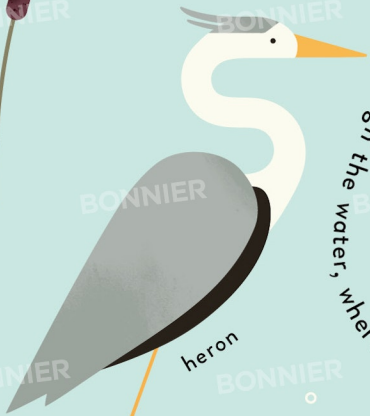

Can you see a mouse as you go past?

rabbit

ladybird

heron

Splish-splash through the water, where frogs like to hop.

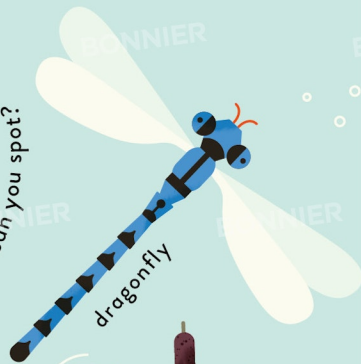

frog

fish

On your way through the pond, what can you spot?

dragonfly

butterfly

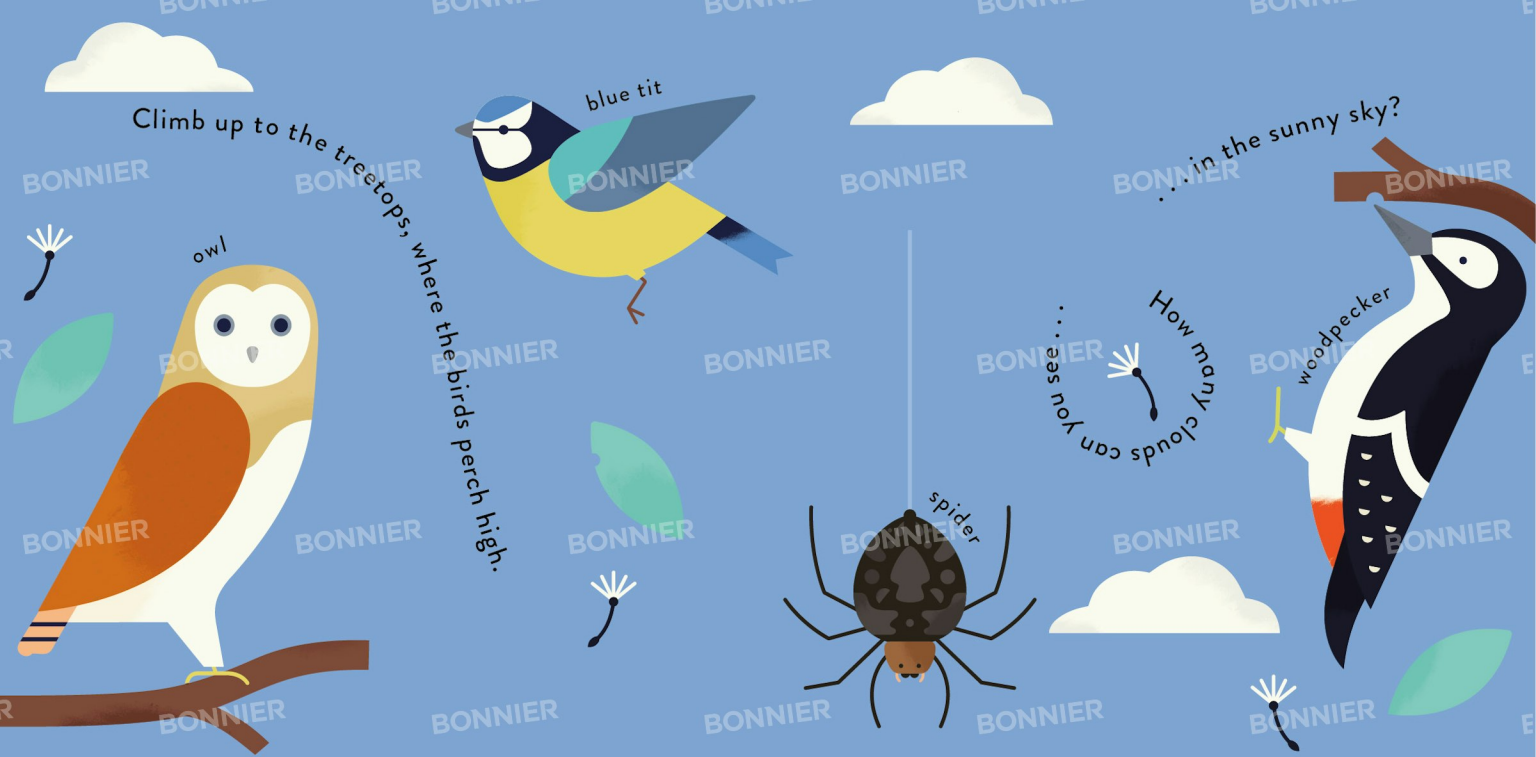

bee

ant

slug

Lots of pretty flowers are swaying in the breeze...

...and someone's making honey, can you count the bees?

Climb up to the treetops, where the birds perch high.

owl

blue tit

How many clouds can you see... in the sunny sky?

woodpecker

spider
