

WHAT  
MATTERS  
MOST

Emma Dodd

What matters most of all to you?

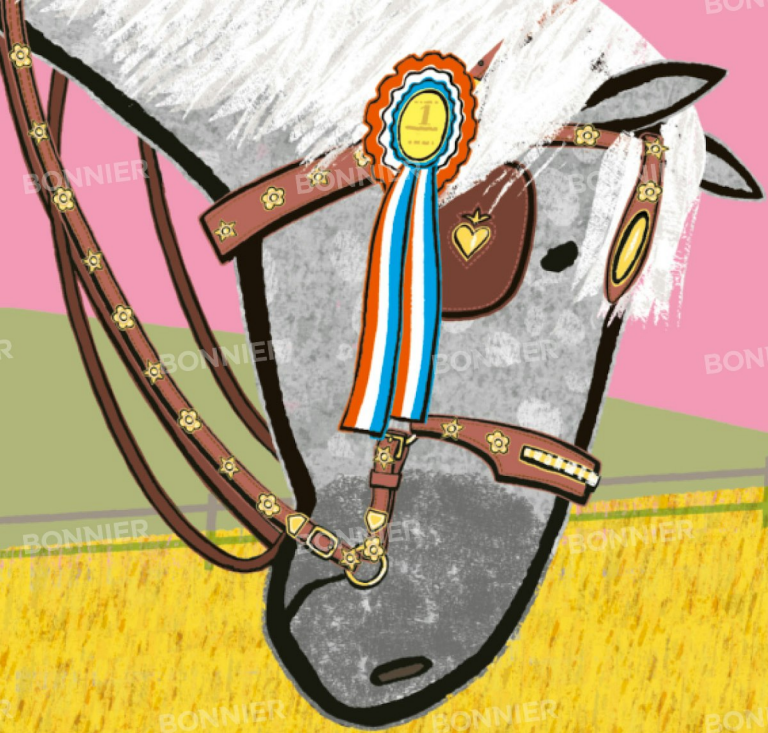

What matters most to me?

Let's take a look around us,

and maybe we will see.

Is it being very big  
or being super small?

Is it having lots of stuff  
or not that much at all?

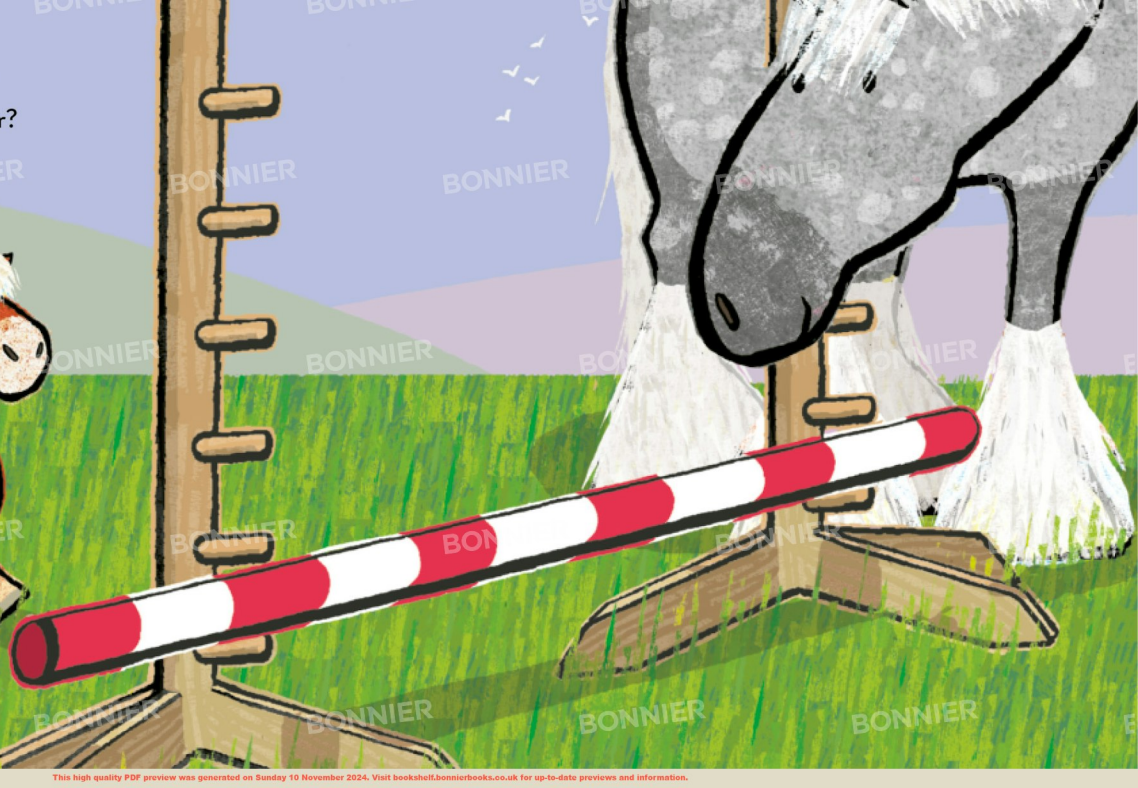

Is it talking all the time

or making time to hear?

Is it being really brave  
or sometimes feeling fear?

Is it being in a crowd  
or spending time alone?

Is it always going out

Is it going very fast  
or just taking it slow?

Is it knowing  
everything,  
or the things we  
don't yet know?

Whether you are scared or brave,  
or if you're big or small . . .

An illustration of two horses. On the left is a grey horse with a black outline, looking towards the right. On the right is a brown horse with a white mane, also looking towards the right. The background is a dark blue night sky with yellow stars and a large, textured grey moon. The word 'BONNIER' is repeated in a light blue font across the sky. The horses are drawn with thick black outlines and textured brushstrokes.

... in the end it's always love  
that matters most of all.
