## Hello, Colour Monster!

Guess what?  
Today is your first day of school.

School? What is that?

Is it a spooky castle  
filled with monsters and beasts?

Is it up in the sky with  
rainbows and clouds?

Is it in a scary jungle guarded  
by evil plants?

Here's your rucksack, Colour Monster.  
What do you think you'll need?

What are you going to do with all this stuff?  
You just need your coat and a notebook!

Here we are! This is our school.  
I promise we're going to have a great day.

Goodbye,  
kids!

Hello, Ms Edwards!  
This is my friend the Colour Monster.  
It's his first day of school!

First we need to go to  
our classroom.

Where are you hiding?

Why don't you come out and meet your classmates? Don't be scared!  
Their names are:

Nuna

Martin

Valentín

Leo

Lucy

Lucas

Max

Chloe

Yun

Tortie

Our first lesson this morning is music. That's my favourite class!

You're doing great! You're just a little bit out of tune . . .

Then Ms Edwards reads us a story.

You seem to really like stories, Colour Monster!

Later, we go to the playground.

Hey, Colour Monster . . . Can we please have a turn on the swing?

Before lunch,  
we go to the toilet  
and wash our hands.

What are you doing,  
Colour Monster?

No! Don't do that!

I'm really hungry now! At last it's time for lunch.

Look Colour Monster, today we're having bread and soup!

Nooo - it's hot!

You shouldn't play with  
your food!

In the afternoon, we go to the gym to do some exercise.

Jumping on the Colour Monster is so much fun!

Boing...  
boing...

We end the day by doing some painting.

We've got the best model – the Colour Monster can change colour!

Don't blink, he might turn pink!

When school is over, it's time to say goodbye.

What a fun day!

Bye, Ms Edwards!  
See you tomorrow!

I knew you'd have a good day!

School isn't so bad after all, is it?

But now I need to nap . . . I'm exhausted!

**Anna Lenas** used to love going to school to learn – of course! – but also to draw. Later on, she became a graphic designer and worked in advertising. One day she decided that she wanted to make beautiful drawings again and she left everything to dedicate herself to the publishing world. Today, she is the well-known author of many books; among them, international bestseller *The Colour Monster*.
