

I thought I saw a... **crocodile!**

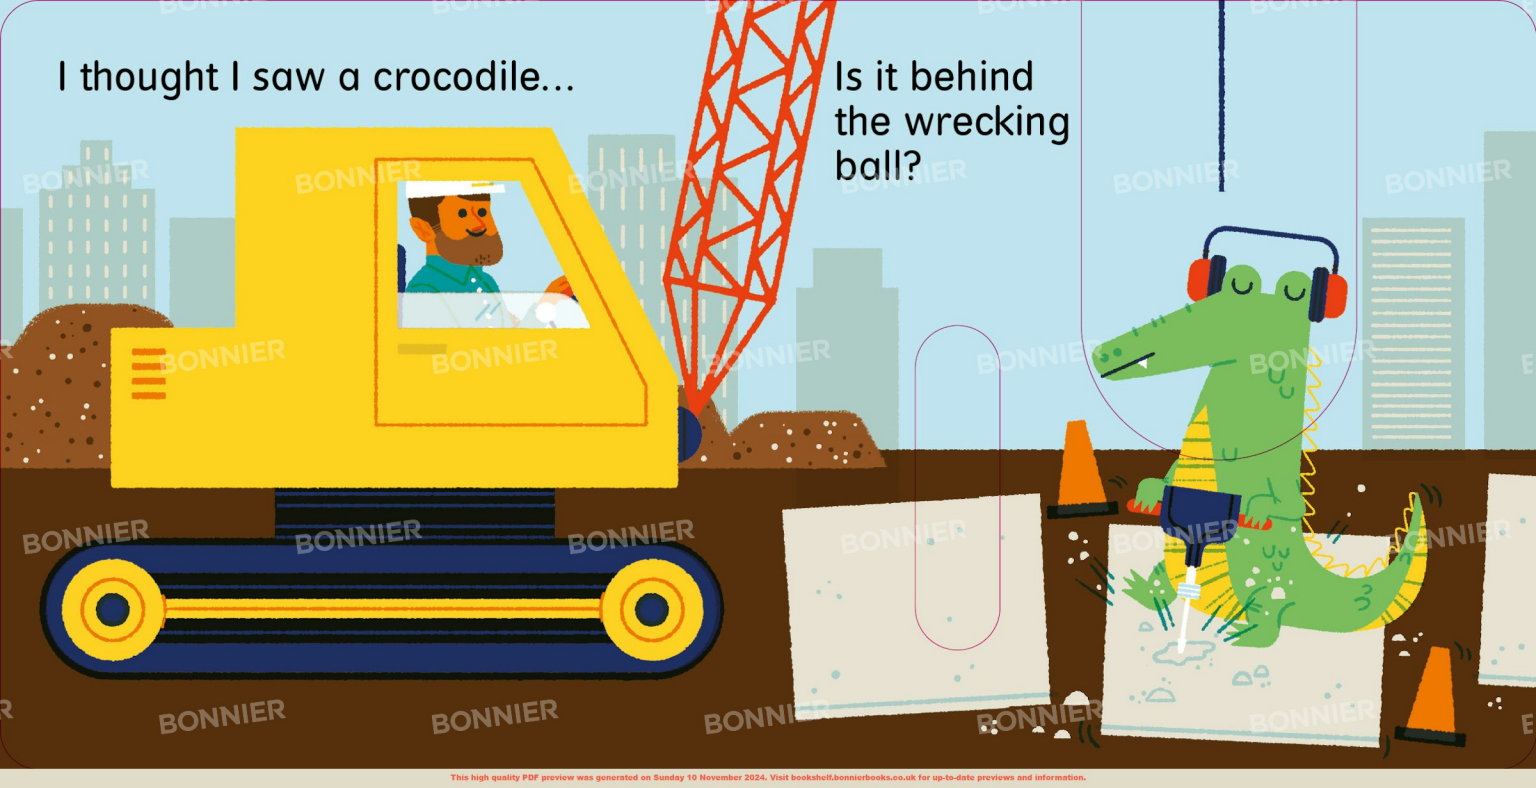

Hide-
and-seek
silliness &
sliders!

Lydia Nichols

I thought I saw a crocodile...

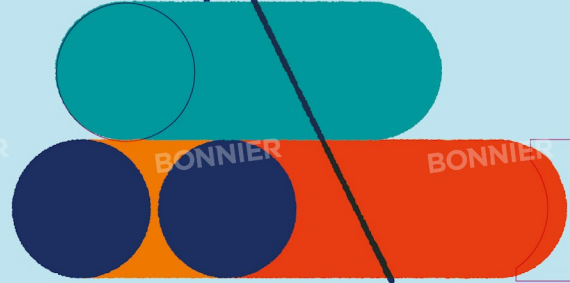

Is it behind
the wrecking
ball?

I thought I saw a crocodile...

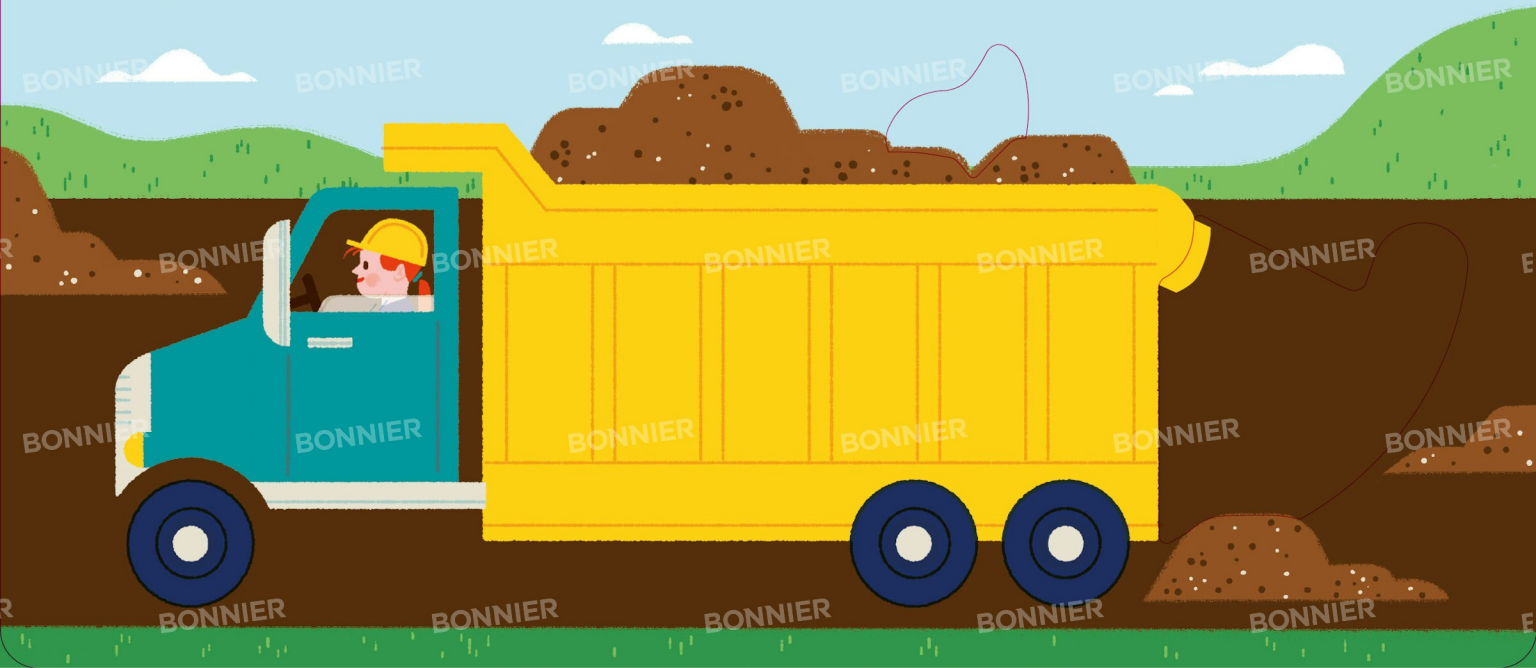

Is it inside the pipes?

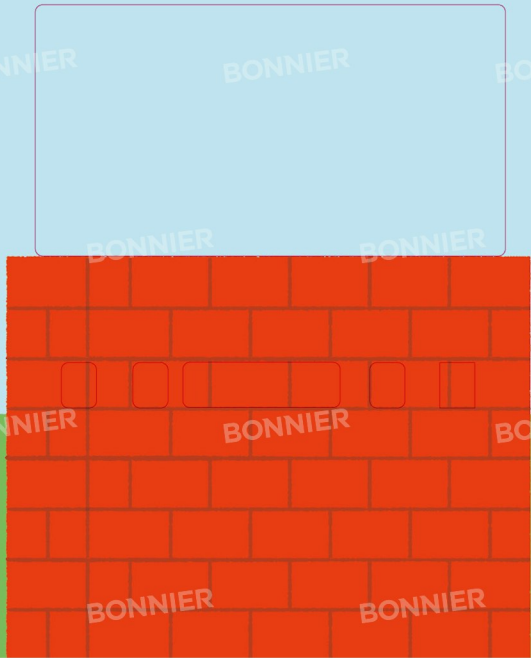

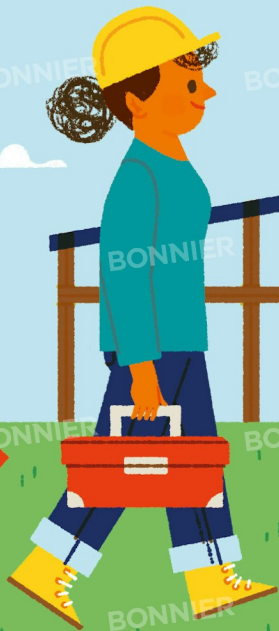

I thought I saw a crocodile...

Is it inside the dumper truck?

I thought I saw a crocodile...

Is it behind the building bricks?

I knew I saw a crocodile...

Here it is!
