# MEGA<sup>the</sup> Magic Teacher SWAP!

Rochelle Humes

Illustrated by Rachel Suzanne

A girl with large, curly brown hair is walking on a yellow path. She is wearing a yellow shirt, a grey jumper dress, white socks, and black shoes. A purple backpack is on her back, and a large brown coconut is tucked under her arm. The background features a blue sky with white clouds, a green tree, and a tree with orange autumn leaves on the left. The word 'BONNIER' is repeated in a light blue font across the scene.

Hello, I'm Mai and this is my Little Coco.

She's a  
magic coconut  
who can grant wishes!

She comes everywhere  
with me... even to school!  
Just in case I need her.

A teacher with long brown hair, wearing a white shirt, a blue cardigan, and a grey skirt with white polka dots, is standing on a yellow path. She is holding a small white flower. A young girl with long blonde hair, wearing a yellow shirt, a grey jumper dress, white socks, and black shoes, is standing next to her, also holding a small white flower. In the background, there is a two-story brick house with a red roof and a blue door. Two other children are visible near the door. The word 'BONNIER' is repeated in a light blue font across the scene.

And this is Mrs Bee,  
the best teacher in the world.

My best friend, Rose, loves her just as much as I do.

Mrs Bee is so kind.  
She tells the most  
magical stories ...

... and paints the prettiest pictures.

'I love our class so much, Rose. I never want to leave.'

But this is our last day with Mrs Bee.

She says we are moving into a new class soon and we will have a new teacher.

'I feel nervous,' says Rose. 'I don't want a new teacher.'

'Rose, I have an idea, let's get Coco to help us stay in Mrs Bee's class forever. She can grant us our wish!'

'I just need to hold Coco tight and call ...'

My Little Coco.

my Little Coco.

my Little Coco!'

'Hello Mai, what's the matter?'  
says Coco.

'Oh girls, moving into a new  
class is part of growing up,  
but if that's your wish ...'

'We have a very special wish Coco.  
We want to stay in Mrs Bee's class forever.'

**coco**

**cadabra!**

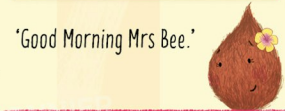

Phew! That's better.  
Back in our old classroom.

'Good Morning Mrs Bee.'

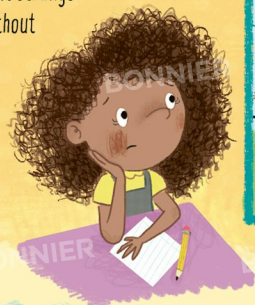

'Oh, hello Mai.'

Mrs Bee

'It does feel a bit strange sitting here without Harry and Lili.'

"Yes, I really miss Simran"

A+

'And we have learnt all of this stuff before.'

😊 Well done!

'I wanted to stay in Mrs Bee's class forever, but it just isn't the same.'

'We don't like it!'

'That's because to grow, we  
can't always stay in the  
same place. Change can  
be a good thing.'

'Look Rose, we're in the new teacher's class now! It doesn't feel so scary after all.'

'And we are back with all our friends!'

Mrs Daly

'But who's the boy next to you?'

'It's Miles' first day at this school today. Mai and Rose, could you look after him?'

'We were scared about starting a new class,  
but Miles is starting a whole new school today!'

'You see girls, today is a new start  
for everyone - even your teacher!'

After lunch, Mrs Daly shows us how to do fun science experiments ...

... and how to play the drums ...

... and she's going to teach us to swim!

I'm so happy. I love my new class...

Mrs Daly is amazing...

...and we have a new friend, too!
