

GIGANTOSAURUS™

The SCARY CAVE

**A SPOOKY
LIFT-THE-FLAP
STORY**

Based on the book by
JONNY DUDDLE

Once the sun had set over Cretacia,
there was one spooky place no little
dino dared to go – THE SCARY CAVE.

That is, unless that little dino's
name was Rocky.

Are you
SCAREDY-SAURS?

"Who's brave enough to go
into the cave tonight?"
asked Rocky.

"We're not scared!" said Mazu
and Tiny, as they followed Rocky
towards the jagged rocks.

Bill thought this was a bad
idea, but he tiptoed after
his friends anyway.

It wasn't long before the four
dinos heard a strange noise echo
through the cave.

H-h-hello?
Is there anybody th-th-there?
It's so dark, I can't see!

HISSSSSSSSS!
HISSSSSSSSS!
HISSSSSSSSS!
HISSSSSSS!

HISSSSS!

It's only Dilo!
She's harmless.
Let's keep going.

Slow down, Rocky!
Something back here
sounds hungry...

Rocky ran ahead through the dark
tunnel and disappeared around a corner.
Tiny, Mazu and Bill could barely keep up.

"See?" Rocky shouted back to his friends.
"We'd be safe in here all night!
It's not that scary!"

That noise is bad news for sure!
It must be time to go home.
We've been brave enough!

SHRIEEK!
SHRIEEK!
SHRIEEK!
SHRIEEK!

SHRIEEK!

It's only Totor and Cror!
Relax, Bill – Rocky's right. There's
nothing scary in this cave.

Mazu studied the tunnel up ahead.
“We can’t give up now,” she said. “By the look of
these rocks, we’re nearly at the deepest part of the cave.”

Something is close –
and I don’t want it
any closer!

SCREEE!
SCREEE!
SCREEE!
SCREEE!

SCREEEE!
SCREEEE!

It’s only Rugol!
She might be
hungry, but
she’d never
eat us!

The four friends huddled together and crept into the deepest, darkest, gloomiest part of the cave...

If we go in there, we might never get out! It sounds huge!
It sounds terrifying!
It sounds like—

ROARRRRRR!
ROARRRRRR!
ROARRRRRR!
ROARRRRRR!

GIGANTOSAURUS! RUUUN!

The huge dino chased the little dinos back through the tunnels. They realised there was one thing even scarier than the cave – GIGANTO!

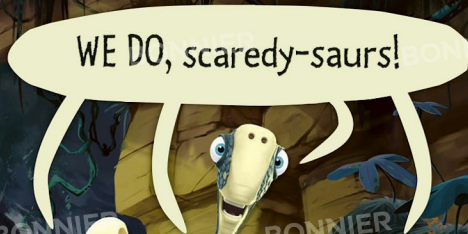

BOO!

What kind of dinosaur says BOO?

WE DO, scaredy-saurs!
