TO THE READER

EVERY TIME YOU SEE A  
PAIR OF **PANTS** IN THIS BOOK,  
HOLD THEM UP IN FRONT  
OF YOU LIKE THIS.

It all started one day when I decided to go to space.  
I built a rocket and made a helmet.  
But something was missing.

I needed  
**SPACE PANTS**

When I reached the moon, I met an alien called Buzzly.  
He spoke a strange language.  
I had to understand it, and quickly.

This called for some  
**SMARTY PANTS**

Now I understood:  
Buzzy wanted to visit Earth.  
Mmm, I thought.  
An alien on Earth might be a problem . . .

unless we wore  
**BEACH  
PANTS**

So we ordered some,  
and put on our  
**PIZZA  
PANTS**

While we were eating our pizza, all the people  
chasing us arrived. They weren't afraid –  
they just wanted to welcome Buzzy to our planet.

This called for a party.  
And a party needs

**PARTY PANTS**

It was the best day ever.  
And the best day ever  
needs the

# BEST PANTS EVER

It was time to go.  
I had a new best friend  
and we were ready for new adventures,  
with new pants,  
in new places.

Where do you think  
we'll go next?
