

The illustration depicts a young girl with dark curly hair, wearing a red shirt and black pants, sitting on a grassy bank. She is looking up at a large, white, fluffy dog with yellow and blue spots. The dog is sitting on the grass, looking towards the right. In the background, there are dark blue mountains with some reddish-brown patches, a blue body of water, and a bright sky with a few birds flying. The overall style is soft and painterly.

The World at Your Feet!

Who?

What?

Where?

Why?

I don't really know.
But I'll give it a try...

It's OK, you know, to just not know.
Sometimes I haven't a clue!

All you can be is your best - when you can.

Be up.

Be down.

But be You.

It's OK to wonder and ask yourself 'Why?'
And it's OK to just say 'Goodbye.'

Sometimes 'Goodbye' is another 'Hello'...
It's OK to give it a try.

It's OK if something just doesn't work out.
Some days and sometimes, they just don't.
And not because you didn't give it your best...

Some days and sometimes they just won't.

There are things that we have...

There are things that
we've had.

There are things that are here,
though they're not.

Our memories come out of many a
thing we think we once forgot.

Memories come.
And memories go.

And some become
stories to share.

Sometimes a memory comes back along
to remind us we were there...

With a head that can think.
And a heart that can love.
And a mouth full of things to say!

There you were.

And here you are!
As old as you are today...

There's a world at your feet, and a sun in the sky,
with the birds, and the moon and the stars.

It's a place you can roam,
and a place to call home.

It's yours and it's mine...

...it's OURS!

We're all here together, alone or apart.
And we all have a story to tell.

And it's OK, you know,
if it makes you feel small...

Often I feel small as well.

But it's not about whether you're **BIG** or you're small...

If you're **STRONG...**

Or how fast you can run.

And it's more about all of the things you could do,
than the things you have already done.

Wherever you are in this big world of ours,
it's with you that your stories begin...

You could do
anything!

You could go anywhere!

Just remember, you can't always win.

Be your best - when you can.
If you can't - that's OK.

Everybody falls, once in a while

But there's only one you who can do what you do...

Sing it loud with your heart and your smile!

It's OK, you know,
to just not know,
how each story Ends.

Yes, there's only one you, but you're far from alone
when your stories are shared with friends...
