

SOPHIE

Sophie la girafe®

and friends

A first **COLOURS**
storybook to read
with baby

Meet Sophie the giraffe.
Sophie is going to see her friends.

She has
5 colourful balloons.

Look, it's Lazare the cat.
Sophie waves hello.

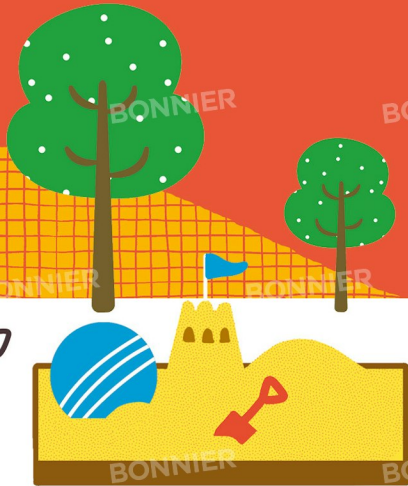

Oh no – her balloons have
blown away! Can you help Sophie
and Lazare to find them?

The balloons have blown into the park.
How will they get them back?

Gabin the bear
has found the
blue balloon.

Sophie the giraffe
helps
him reach it.

Can you see anything else that's blue?

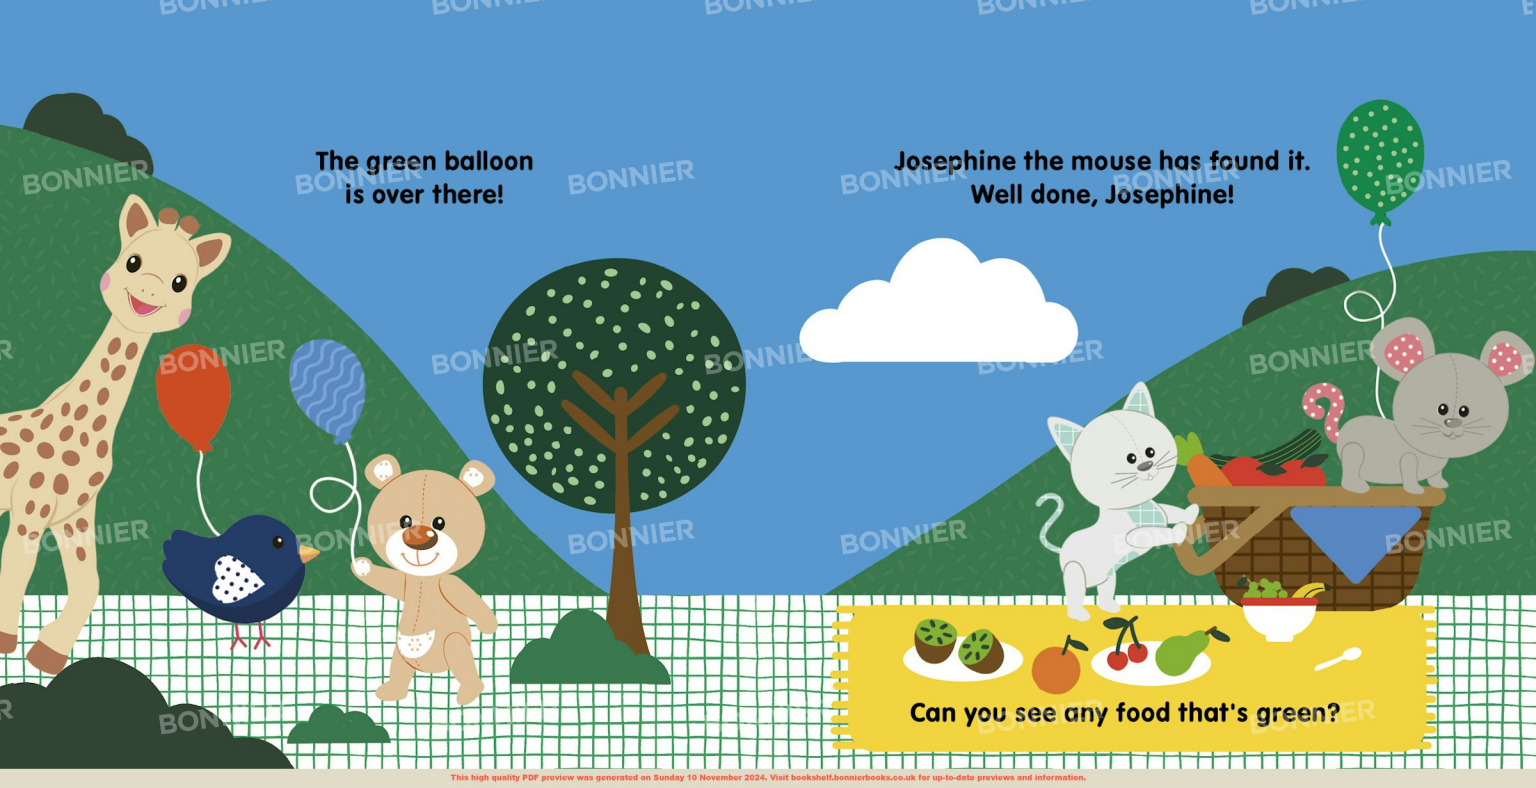

Oh no, the red balloon is stuck in a tree.

Kiwi the bird flies up to get it.

Can you count the red apples?

The green balloon
is over there!

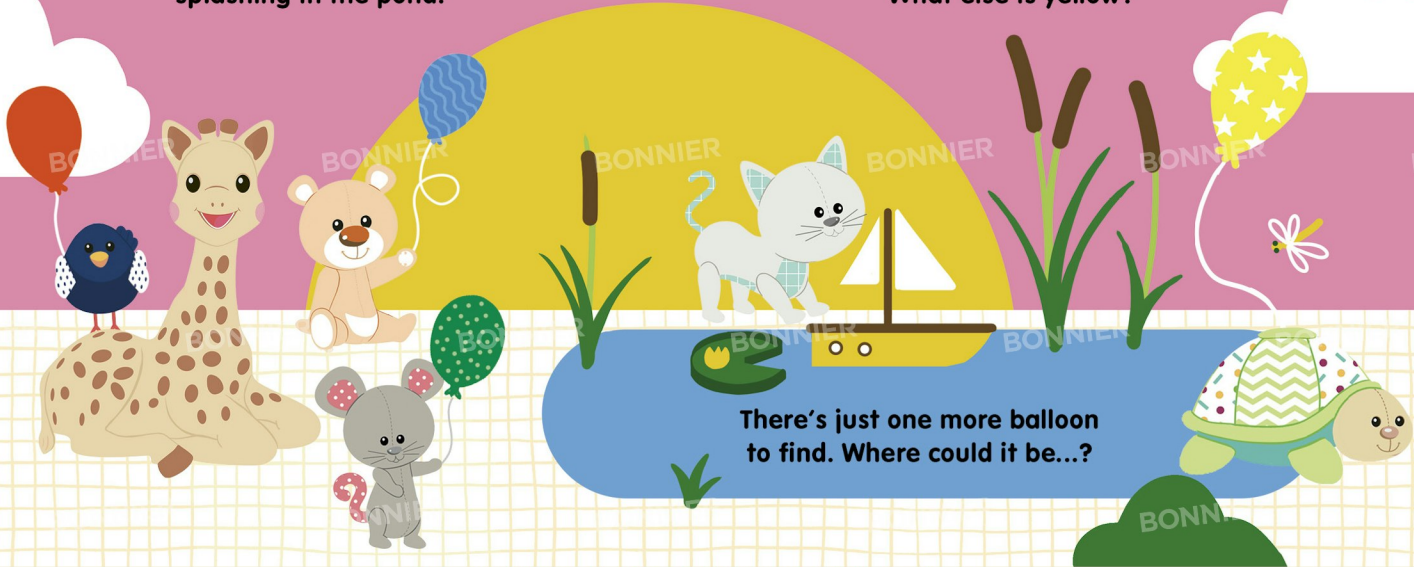

Josephine the mouse has found it.
Well done, Josephine!

Can you see any food that's green?

Look, it's Margot the turtle,
splashing in the pond.

She's found the yellow balloon.
What else is yellow?

There's just one more balloon
to find. Where could it be...?

**Hooray – the pink balloon!
It's outside Sophie's house.**

**And now it's time for
everyone to go home.**

**Goodnight Sophie!
Goodnight everyone!**
