A COUNTING STORY FROM 1 TO 100!

Late one evening, Mouse couldn't sleep.  
She dreamed of a fiesta, and her heart skipped a beat.  
There would be **music** and **fireworks** and all of her **friends**.  
**Acrobats** and **magic** and **food** without end.

And so, it begun...  
The search for a party, starting with **ONE**.

Into the night little Mouse crept,  
looking to **dance** with everyone she met.

Can you find...?

**3** clowns  
BONNIER

**2** dancers  
BONNIER

6 bow ties

7 hats

8 cats

9 flags

**10** hula-hoops

With a growing little army, Mouse twirled through the streets.  
But something was missing. Where was the beat?

"Trumpets and pianos, come out to play!  
There will be no party until we can shimmy and sway!"

Can you find...?

11 flutes

# 13 maracas

# 14 guitars

# 16 saxophones

17 singers

18 tambourines

# 19 accordions

20 castanets

But it still wasn't enough, Mouse wanted more.  
"It won't be a party until I hear a ROAR!  
I want to see **lions** and **tigers**, **zebras** too,  
**Flamingos** and **elephants** – I want the whole zool!"

Can you find...?

**30** feathers

More animals arrived and they took to the sky.  
The floated over the town and waved goodbye.

Can you find...?

**40** hot air balloons

As they bobbed along in the moonlit night,  
a colourful tent came into sight.  
"Look!" cried Mouse, pointing down through the clouds.  
"We've arrived at the party. I can see a big crowd!"

Can you find...?

50 flowers  
BONNIER

But before they could dance, they needed to get dressed!  
So they put on their best **clothes**, and got rid of the rest.

Can you find...?

**60** spotty socks

Finally inside, they saw a table of treats.  
For what is a party without a great feast?

Can you find...?

**70** strawberries

With tummies full, they danced and they whirled.  
Fireworks fizzed and sparklers twirled.

Can you find...?

**80** rockets

As the crowd grew tired, and the sound faded from the guitars...

Mouse was delighted. Her dream had come true!  
She smiled and she yawned while she took in the view.

Can you find...?

**90** balloons

...little Mouse fell asleep beneath **100** shining stars.
