Welcome to The Dino-Sitters Club.
Come and meet the tiny dinos!

This is my baby cousin Rolo. Even though he's small, he's brave - just like me!

This is my little brother Zak. I'm going to teach him all I know!

My little sister Leena is cute, but she's always stealing my snacks!

This is my little sister Tori, or as I like to call her, Tori Dinosaur!

It was a sunny morning in Cretacia and it felt like the perfect day for an EPIC adventure!

But as the dinos were getting ready to set off, there was a sound ...

I'm the bravest dino and I will protect us from any danger!

I wonder what we'll discover today?

What's that noise?

In the distance, they could see tiny blue, red, brown and green dinosaurs coming towards them. UH OH – do the dino babies want to come too?

HA HA!

HA HA!

HEE HEE!

HEE HEE!

An exhausted Archie herded the giggling little dinos towards the four friends.

My tired wings need a rest ...

HEE HEE!
HA HA!

HA HA!

The four dinos knew exactly what to do. "Don't worry, we can take it from here," Mazu said, confidently. "We're the BEST dino-sitters in Cretacia!"

Have fun!

Are we, Mazu?

I'm tired just thinking about it!

Archie thanked the four friends and flew off to his cosy nest for a well-deserved nap.

Now Bill, Rocky, Mazu and Tiny were busy dino-sitting, their adventure was looking very unlikely ...

What shall we do?
The babies have SO
much energy!

Dino-sitting
is BORINGGG!

Mazu looked thoughtful. "I know! Let's show the babies around Cretacia."

The friends set off into the jungle with the tiny dinos scurrying closely behind.

First, they headed to the lake.

“I love throwing rocks that make a big SPLASH!” Rocky told the babies.

“And if we find the Bill Bubble, we could go for a ride and explore what’s underwater!” added Tiny.

The friends were right, the water did look VERY inviting . . .

Before anyone noticed, Zak had crawled right to the water’s edge. Quickly, Mazu sprang into action and swooped Zak away from Termy’s jaws just in time.

Watch out for Termy – she has VERY sharp teeth!

Oooh, a yummy baby dino – perfect for my morning snack!

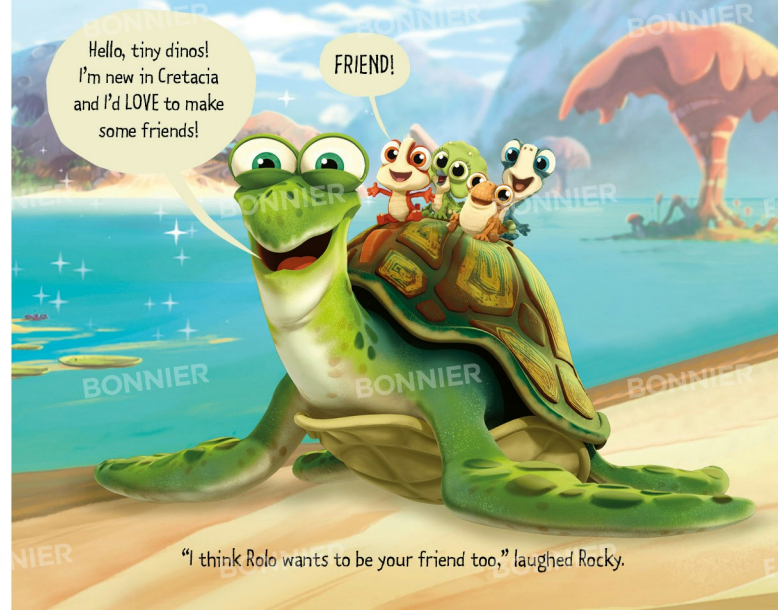

WATER!

PHEW – that was a close one!

The group of dinos quickly continued along the sand.
But what's that up ahead? Is it a coconut? Or a rock?

LOOK, IT'S LEON!
Rolo eagerly climbed up Leon's shell,
waiting for his turtle-back ride to begin!

"I think Rolo wants to be your friend too," laughed Rocky.

Suddenly, the lake started to ripple.
Could it be Termy coming back again?

Poor Leena was watching out for Termy
so closely that she tripped over!

WAAA! WAAA! WAAA! WAAA!
WAAA! WAAA! WAAA! WAAA!
WAAA! WAAA! WAAA! WAAA!

Shhh,
it's ok!

Uh oh!

At the sound of Leena's cry, three dolphins shot out of the water.
Their unexpected arrival stunned Leena into silence ...

Hello, there.
We're Plink ...

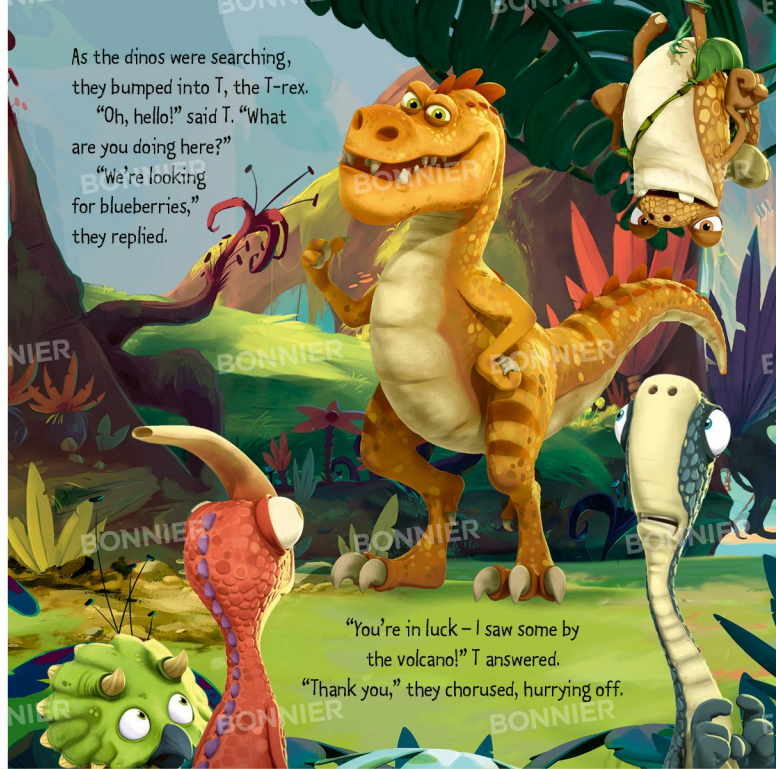

Plink ...

and Plunk.
Please don't cry!

Before long, all four babies were laughing at the dolphins, and Leena's fall
was long forgotten. There was so much fun to be had at the lake!

After their busy morning, the tiny dinos were hungry – and so was Bill! The group trudged into the jungle. “There must be some delicious berries nearby,” he said, hopefully.

As the dinos were searching, they bumped into T, the T-rex. “Oh, hello!” said T. “What are you doing here?” “We’re looking for blueberries,” they replied.

“You’re in luck – I saw some by the volcano!” T answered. “Thank you,” they chorused, hurrying off.

As they got closer to the volcano, Rocky spotted the blueberries. Within moments, the dinos were munching on the juicy berries.

Just as they finished eating, the dinos heard a BASH, THUMP and CRACK!

“Look, it’s Giganto cracking open some walnuts!” cried Mazu. The babies couldn’t WAIT to meet Giganto so they all ran towards the big dino.

But Giganto didn’t see them and carried on thumping his tail . . . and bashing it right next to . . . OH NO! WATCH OUT, TORI!

PHEW! Instead of squashing the babies,
Giganto bounced them on his tail
like a trampoline!

ROOOAAARRR!

The babies squealed with delight.
“THANK YOU, GIGANTO!” Bill, Rocky,
Mazu and Tiny cheered.

GIGANTO!

WOOHOO!

Is it my
turn yet?!

Be careful,
dino babies!

As night-time settled over Cretacia, the dinos made their way home. The babies were very sleepy, but the bigger dinos were even sleepier!

“I don’t think I’ve ever been this tired!” exclaimed Rocky.
“Dino-sitting is hungry work!” added Bill.
“Today, I’ve learnt that dino babies are VERY tricky to look after!” laughed Mazu.

Back in the den, the sleepy dinos settled down into bed after what had been quite an EPIC adventure after all.

Cretacia was quiet,
apart from the sound
of dino-snores.

Good night, Leena. Good night, Zak.
Good night, Rolo. Good night, Tori.

Zzzz!

SNORE!

Fast asleep in their beds,
the dino babies were already
dreaming of their next
adventure...
