

IMAGINE IF...  
**FRUITS!**

Hello yellow bananas,  
all bunched up side by side.

But I imagine if...

A wobbling watermelon,  
with insides red and PIPPY.

But I imagine IF...

...it was an umbrella,  
wet and drippy!

Rolling, round, ripe oranges,  
so full of vitamin C!

But I imagine IF...

...they made a bicycle for me!

Green and purple grapes,  
they're juicy, plump and round.

But I imagine IF...

Hooray for all the fruits we eat.

they're whacky, wild and free.

...there is nothing  
they can't be!

With my imagination...
