Wakey-Wakey, Panda

Wakey-wakey, Panda,
It's time to rise and shine.
Rub your eyes, say, "Hello world!"
Hooray! It's morning time!"

Wakey-wakey, Panda,
Let's stretch our arms up high.
Higher, higher, higher still!
Right up into the sky.

Wakey-wakey, Panda,
Brush your teeth and brush your hair!
We'll fill the sink with water,
Splashing everywhere!

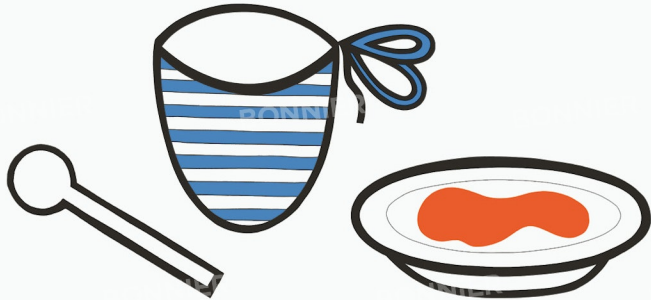

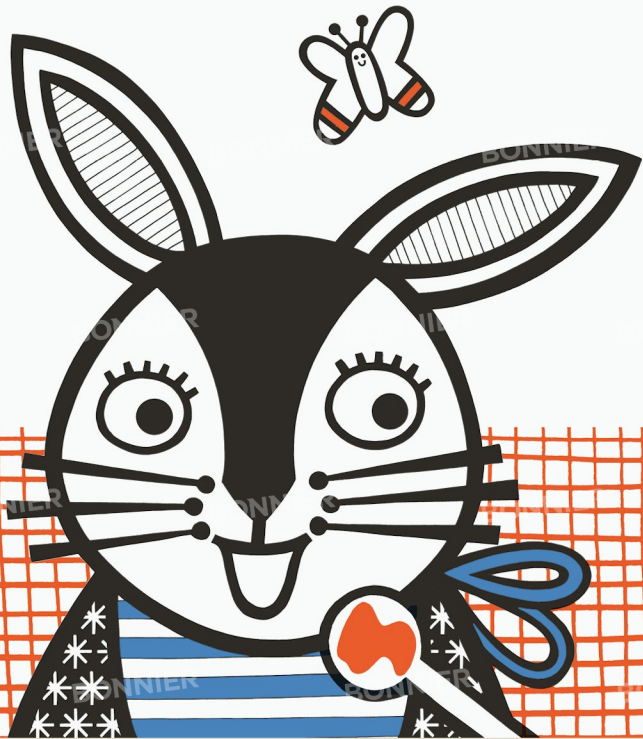

Wakey-wakey, Panda,
It's time for getting dressed.
Jumper on! Pyjamas gone!
Now you look your best!

Bunny's Lunch Time

It's lunch time, Little Bunny,
Let's clean your paws and face.
Here's your spoon and here's your bib
And here's your bunny plate!

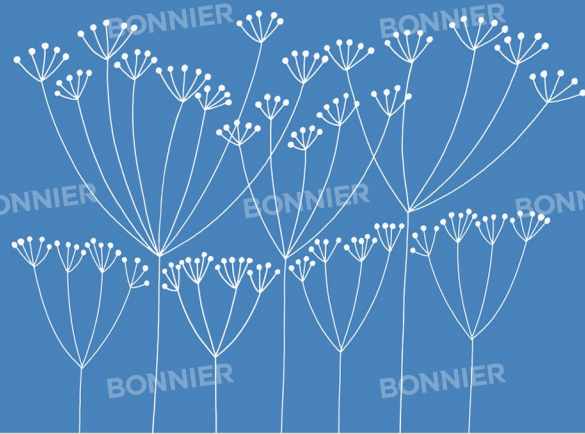

Are you ready, Little Bunny?

Here it comes! Open wide . . .

A spoon of yummy bunny food

To make you warm inside.

What's the matter, Little Bunny?
Your food's dropped on the floor.
Oh, don't cry, Little Bunny . . .
You see, there's plenty more.

BONNIER

Have you finished, Little Bunny?

BONNIER

Let's clean your paws and face.

BONNIER

You've done so well! What can I see . . . ?

An empty bunny plate!

BONNIER

BONNIER

BONNIER

BONNIER

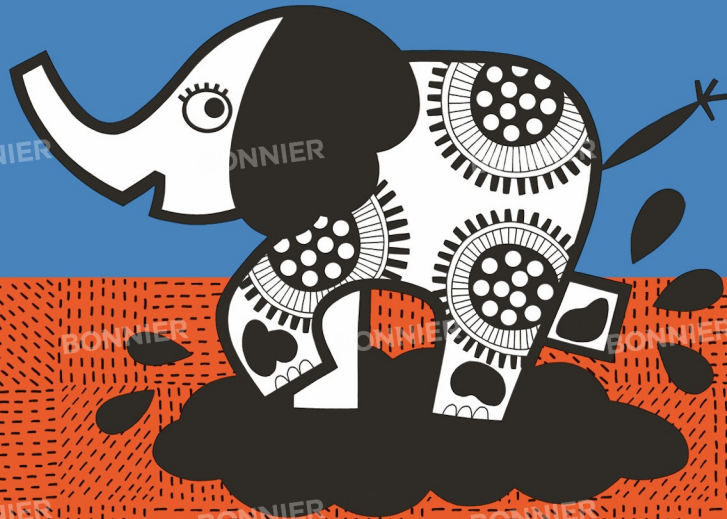

BONNIER

BONNIER

Elephant's Bathtime

It's bathtime, Little Elephant,
Scrub-a-dub-a-dub!
You've been having lots of fun
Jumping in the mud!

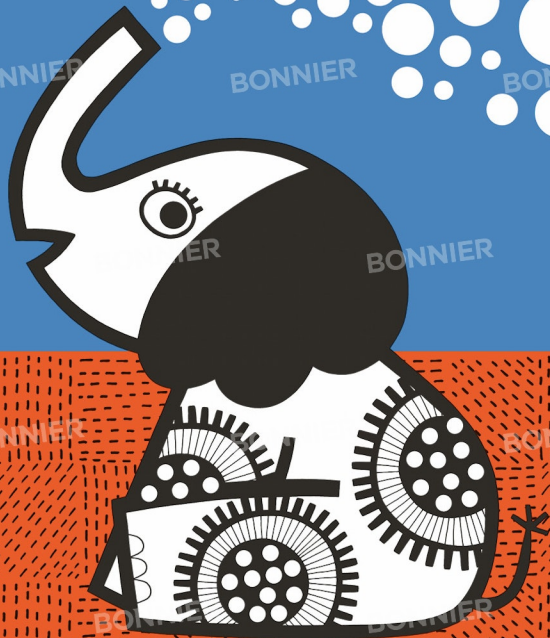

Come on, Little Elephant,
It's time you had a wash.

WHOOSH! . . .

Here comes the water!
Splishy-splash-splish!

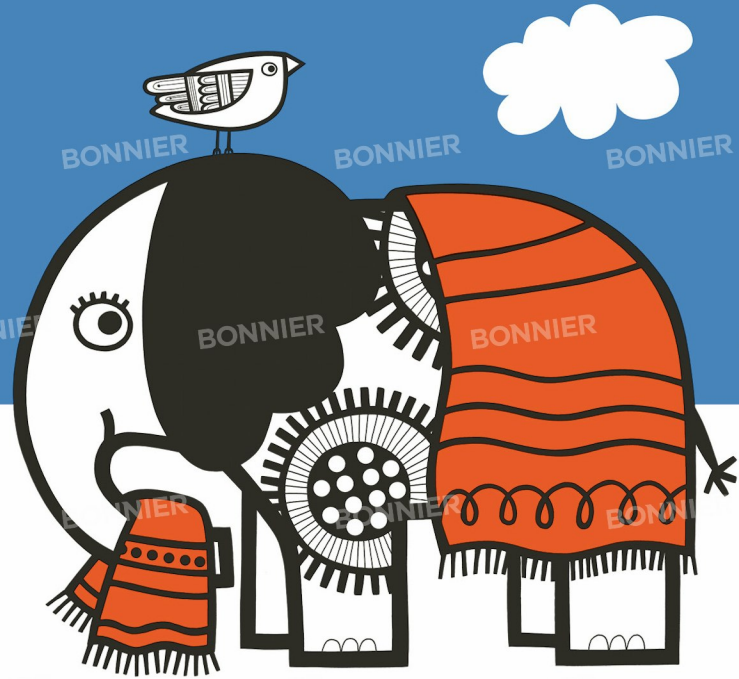

Oh look!
You're blowing bubbles –
They're gleaming in the air.
Soapy, floating bubbles,
Pop-POP-ing everywhere!

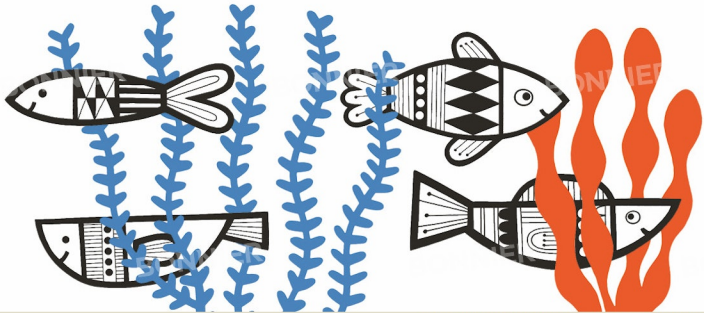

Gently, gently, with a towel,
Rub-a-dub-a-dub!
All clean, Little Elephant . . .

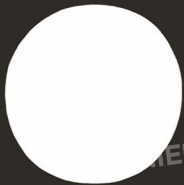

. . . till next time you find mud!

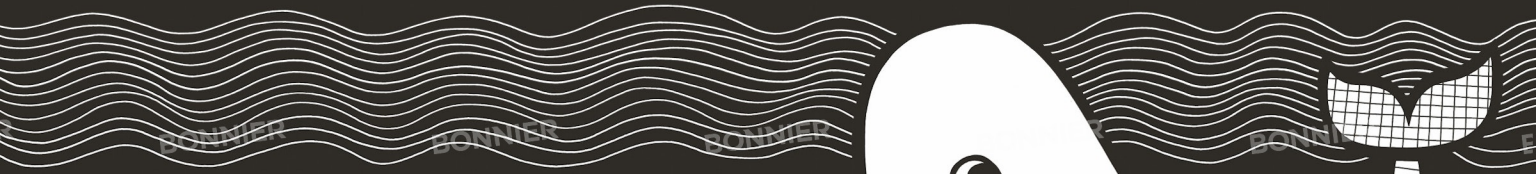

Whale's Bedtime

It's bedtime, Little Whale,
Have you washed and brushed your teeth?
Say goodnight to everyone!
It's nearly time for sleep . . .

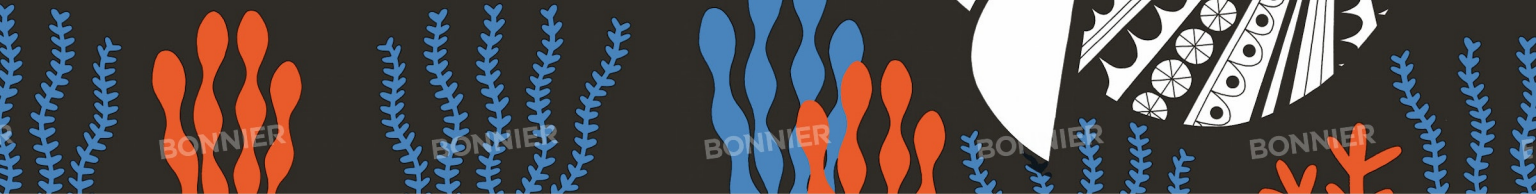

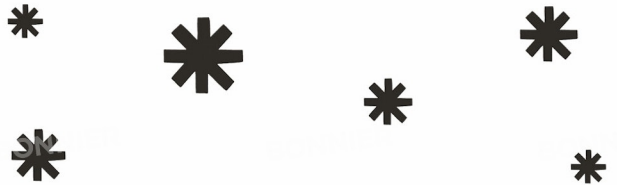

But just before you close your eyes,
Let's wave to all the stars.

Can you see them shining down?
They're smiling from afar . . .

Now you're yawning, Little Whale,
Let's rest your sleepy head.
The sky is like a blanket,
The waves your cosy bed.

Warm and comfy, Little Whale,
Are you snuggled tight?
Close your eyes now, sleepy one,
Goodnight,
goodnight,
goodnight . . .
