This book was typeset in 1751 GLC Copperplate
The illustrations were created in pencil and watercolour

Edited by Charlie Wilson
Designed by Olivia Cook
Production by Neil Randles

Printed in China

Welcome, little one,
You've arrived in this world,
Here with us is where you belong

Our home is a nest,
Full of love just for you,
Surrounded by laughter and song

Come close, little one,
We're so happy you're here,
Now snuggle your head on my chest.

You'll always feel safe
In the place we love best.

After all, this home is a nest.

Look up, little one,
Every day is brand new,
I wonder how much we might see.

Life blooms all around,
But safe under my wing.
It feels like it's just you and me.

Bed time, little one,
Let's get cosy and warm,
As we settle into the night.

Our song fills the air,
As we sing you to sleep,
And your dreams begin to take flight.

Slow down, little one,
You're shooting up so fast,
It's a wonder watching you grow.

We'll be by your side
Every step of the way,
There for you wherever you go.

One year, little one,
A full year in the world,
Look how much you've already done.

This home is a nest,
Always waiting for you.

Now your journey has just begun.

Take flight, little one,
You were made for this world.
Spread your wings and fly with the rest.

Wherever you soar,
We'll be here, just for you.

After all, this home is a nest.
