STEPS

# It's Bedtime, Bear

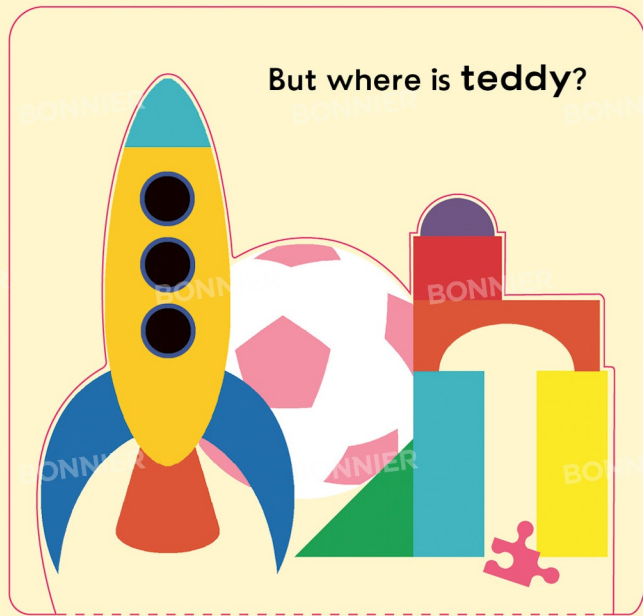

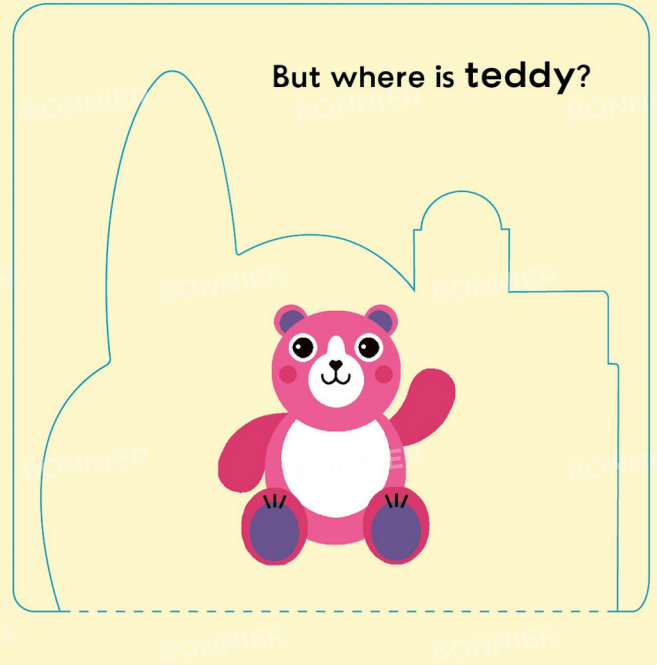

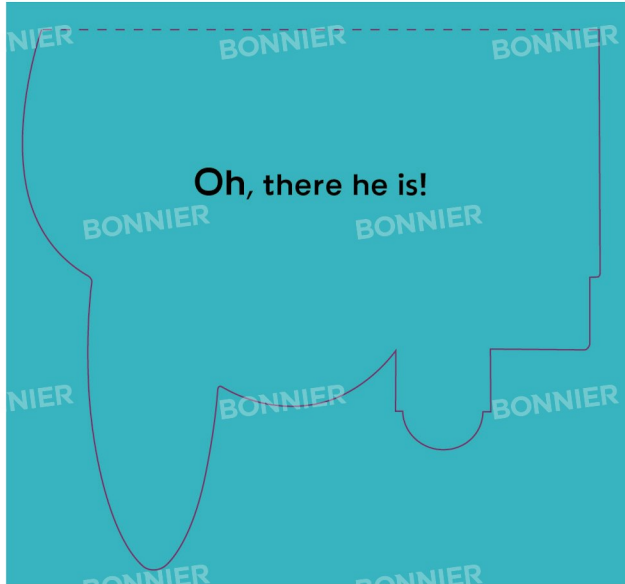

LIFT  
the flap  
FIND  
the toy

It's bedtime, Bear!  
Time to **tidy up your toys**  
and take your teddy upstairs.

But where is **teddy**?

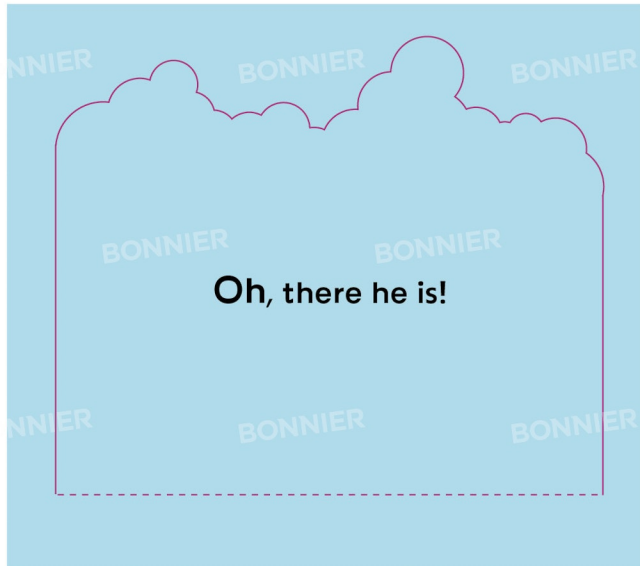

It's bedtime, Bear.  
Time to get in the bath  
for a nice wash.

But where is **ducky**?

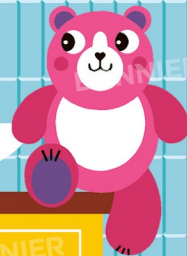

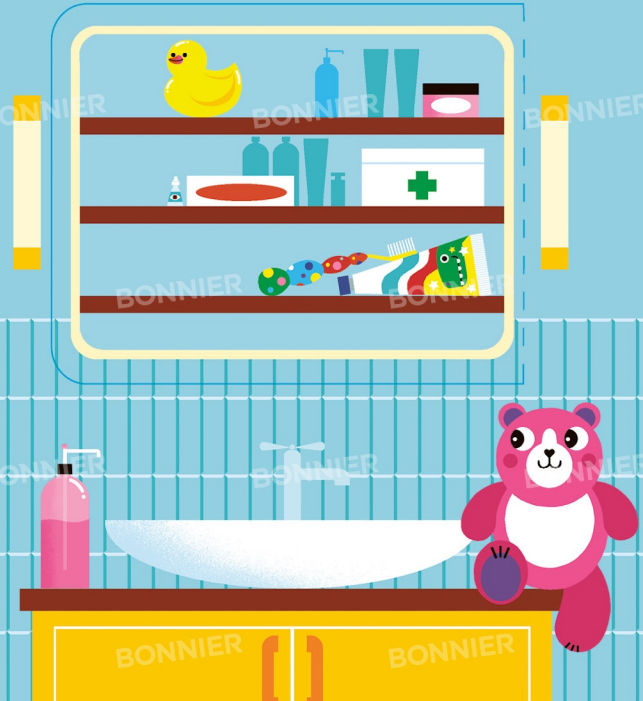

It's bedtime, Bear.  
Time to brush your teeth  
and put on your pyjamas.

But where is your  
toothbrush?

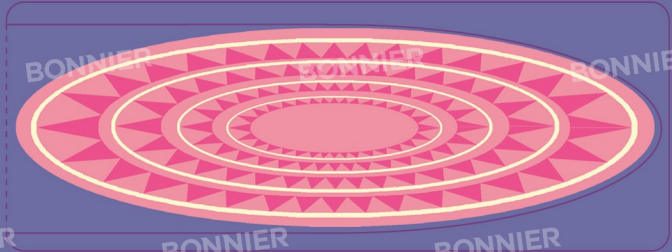

Oh, there it is!

It's bedtime, Bear.  
Time to get under the covers  
for a nice story.

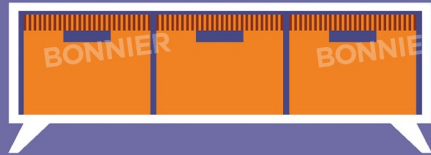

But where is your book?

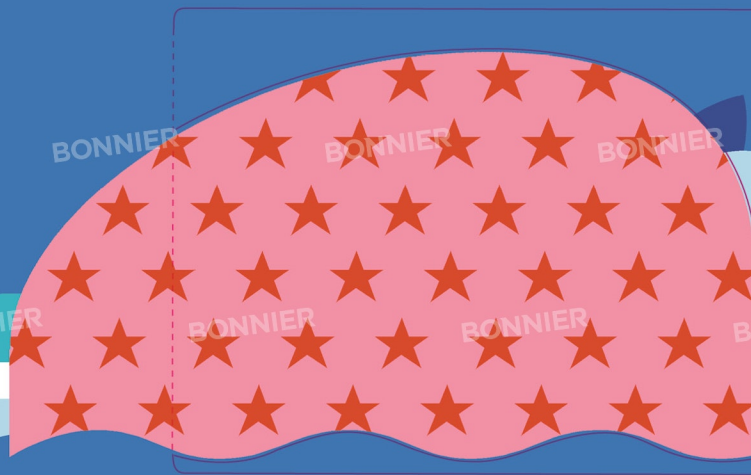

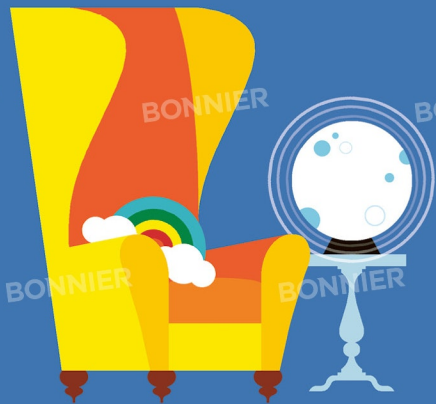

Oh, there it is!

It's bedtime, Bear.  
But where's Bear?
