Together we are...

B P P

Together we are

building a home

like a swoop of
barn swallows
weaving a nest that
is safe and sound.

One day, you will chase
the sun across the world,

always holding the warmth of
home in your heart.

Together we are
holding each other

close

like a **kangaroo**
carrying their baby
inside their cosy pouch.

When you are **bigger**,
you will bounce around
with your friends,

but we will always jump back
into one another's arms.

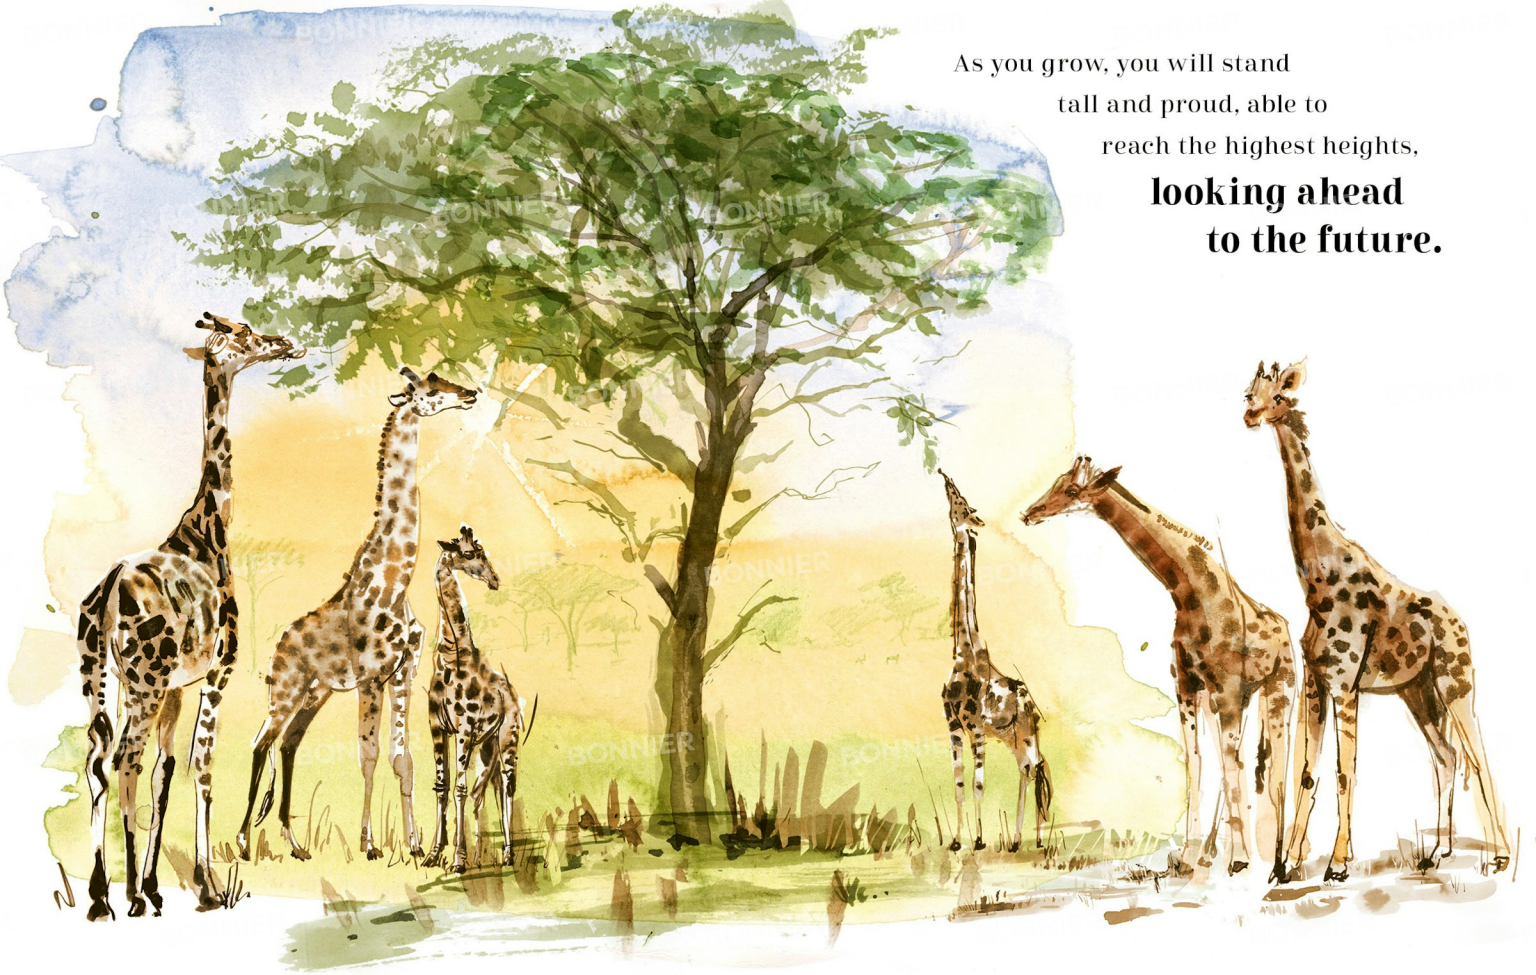

Together we are
helping you

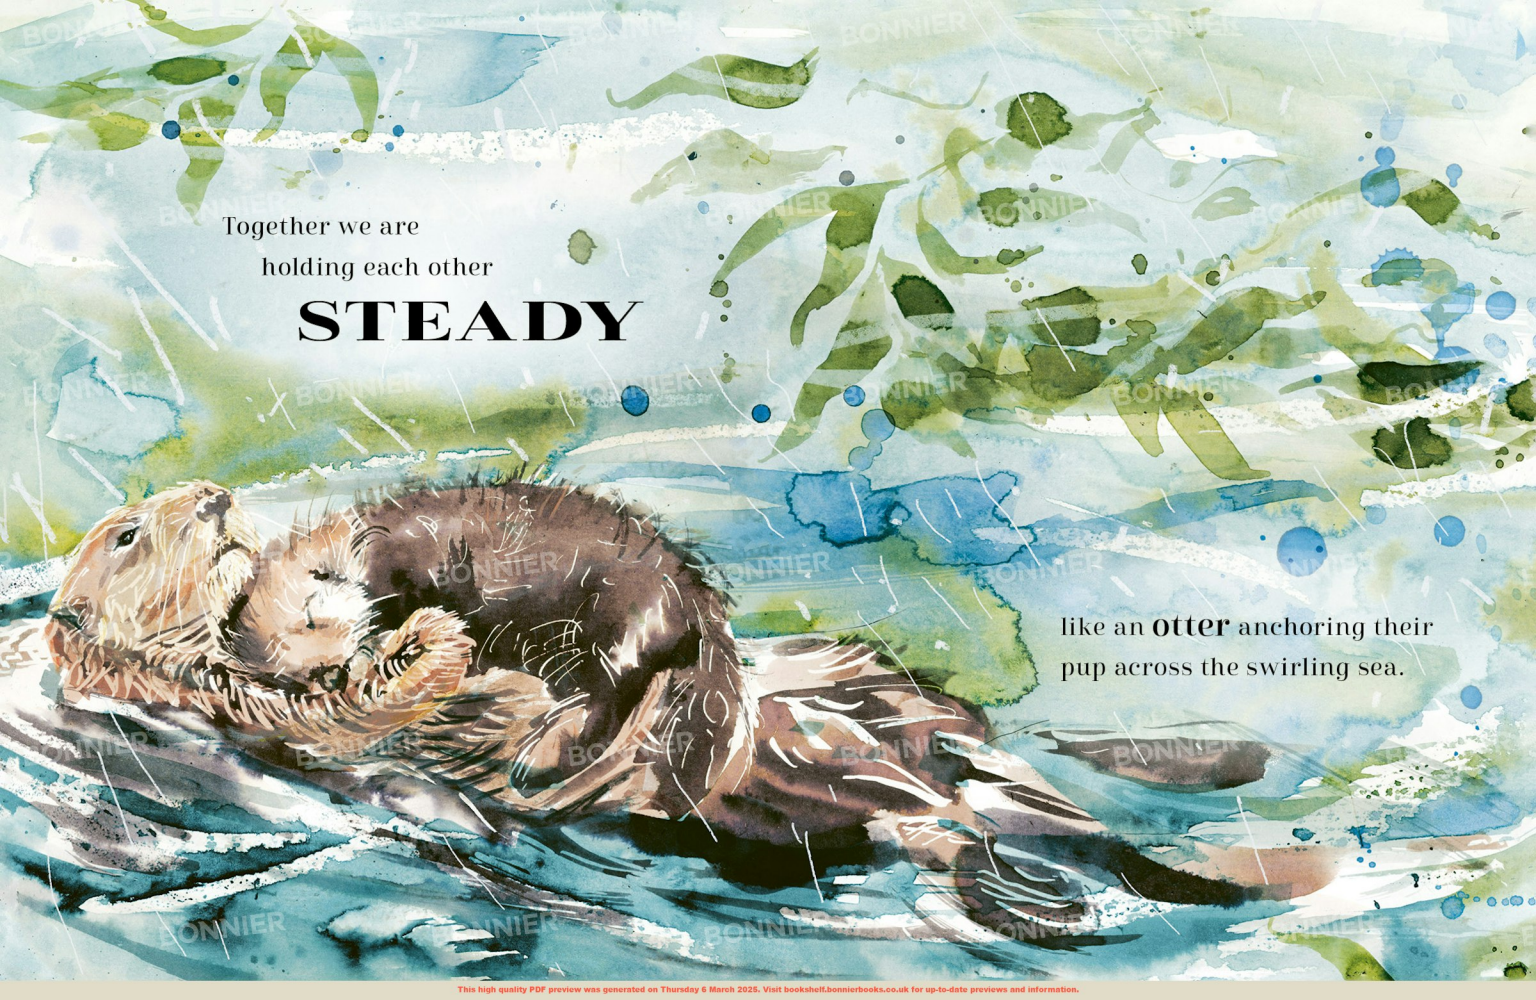

find your feet

like a giraffe encouraging
their newborn calf's first steps.

As you grow, you will stand
tall and proud, able to
reach the highest heights,
**looking ahead
to the future.**

Together we are
holding each other

STEADY

like an **otter** anchoring their
pup across the swirling sea.

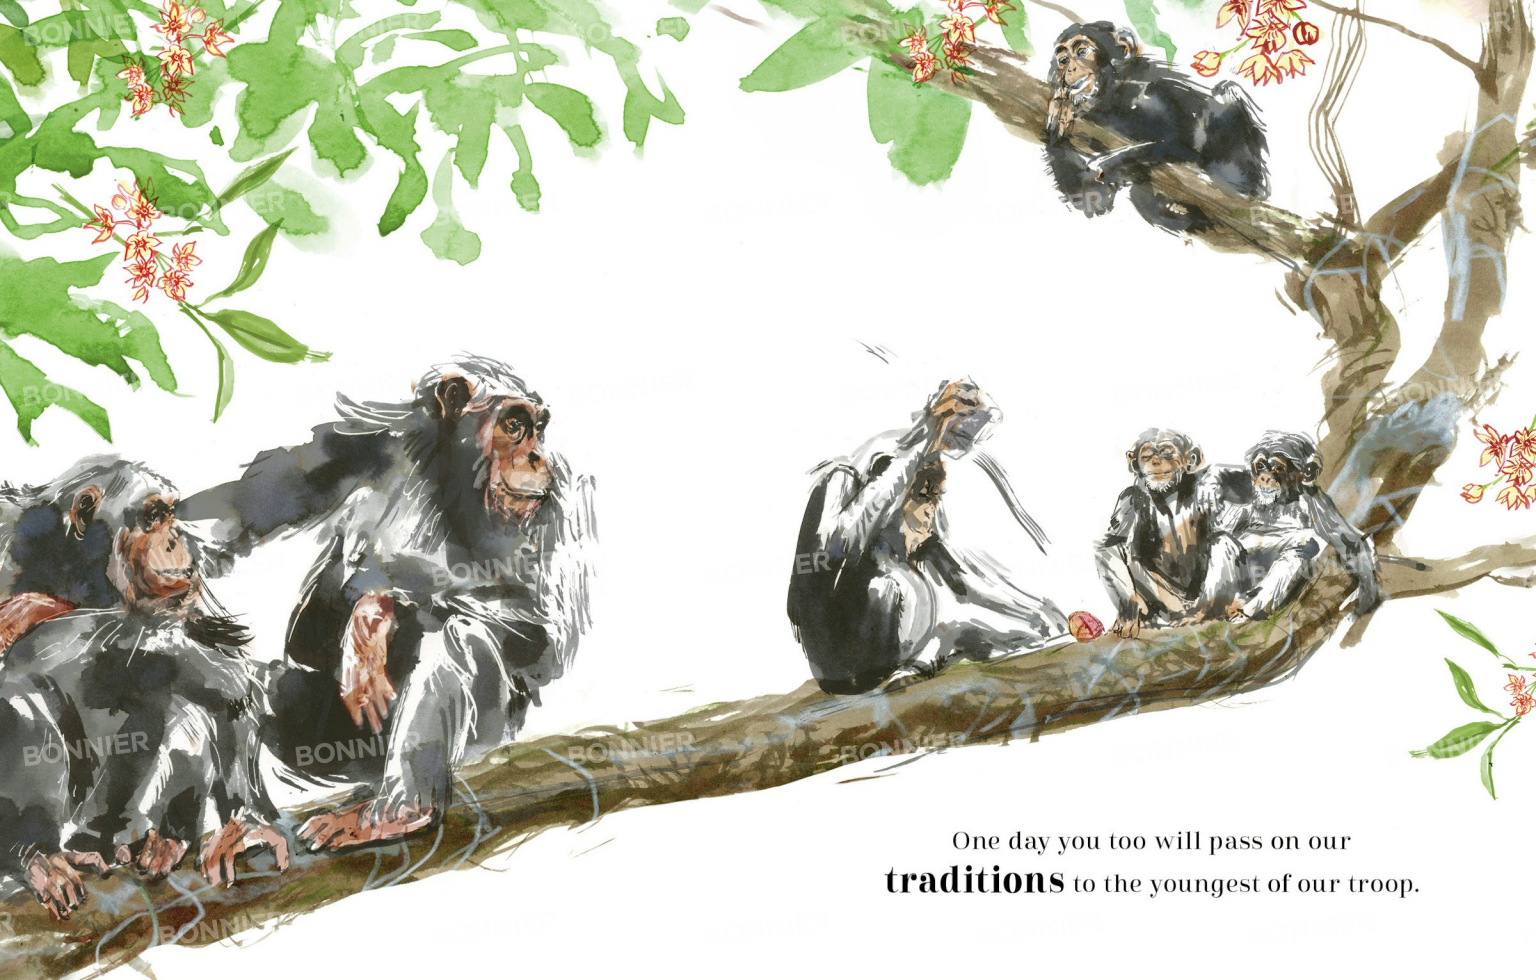

When you are strong enough to face
the current, you will let go, but we will
always face the tide **side by side.**

Together we are **TeACHing**
you what you need to know

like a **chimpanzee**
showing their baby the
tools they must master.

One day you too will pass on our
traditions to the youngest of our troop.

Together we are
singing a tender tune

like the melody a **dolphin** whistles
to their calf in the deep ocean.

Over time, you will
discover how to
sing your song

and, although we may drift in
different directions, we will always
listen out for one another's call.

Together we are

journeying

through life as I lead our family
like a **wolf** guiding their pack.

As you **find your place**,
your own gifts make our
team even stronger.

Together we are facing the
TOUGH
times as I protect you

like a **polar bear** shielding
their cubs from the icy wind.

Now we know we can weather the storm
as we **make our way** in the world
and keep each other safe.

Together we are
soothing

your fears when you are sad

like an **elephant** stroking
the trunk of one of their herd.

Now you know how to
embrace your feelings
and that we can always
share them with each other.

Together we are

A FAMILY.

And even when we are apart,
you will always feel the
strength and pride
we share inside.
