I'M A
DIGGER

Matthew Scott

I'm a Digger!

DIG
DIG
DIG

I use my big bucket
to scoop up rocks and soil.

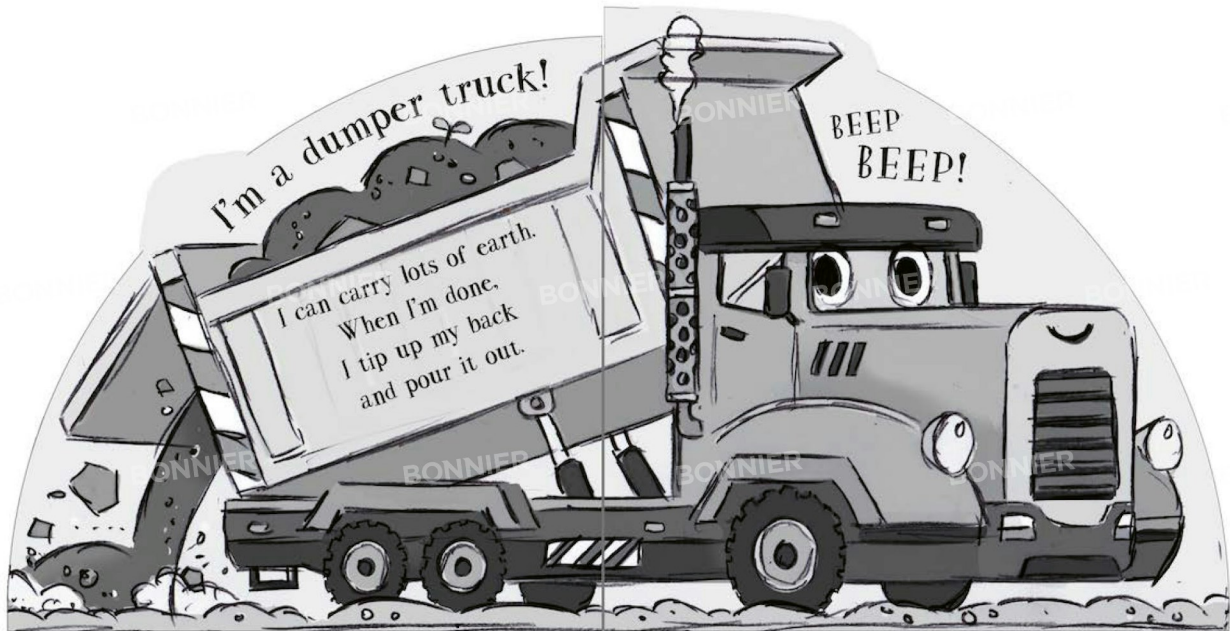

I'm a
bulldozer!

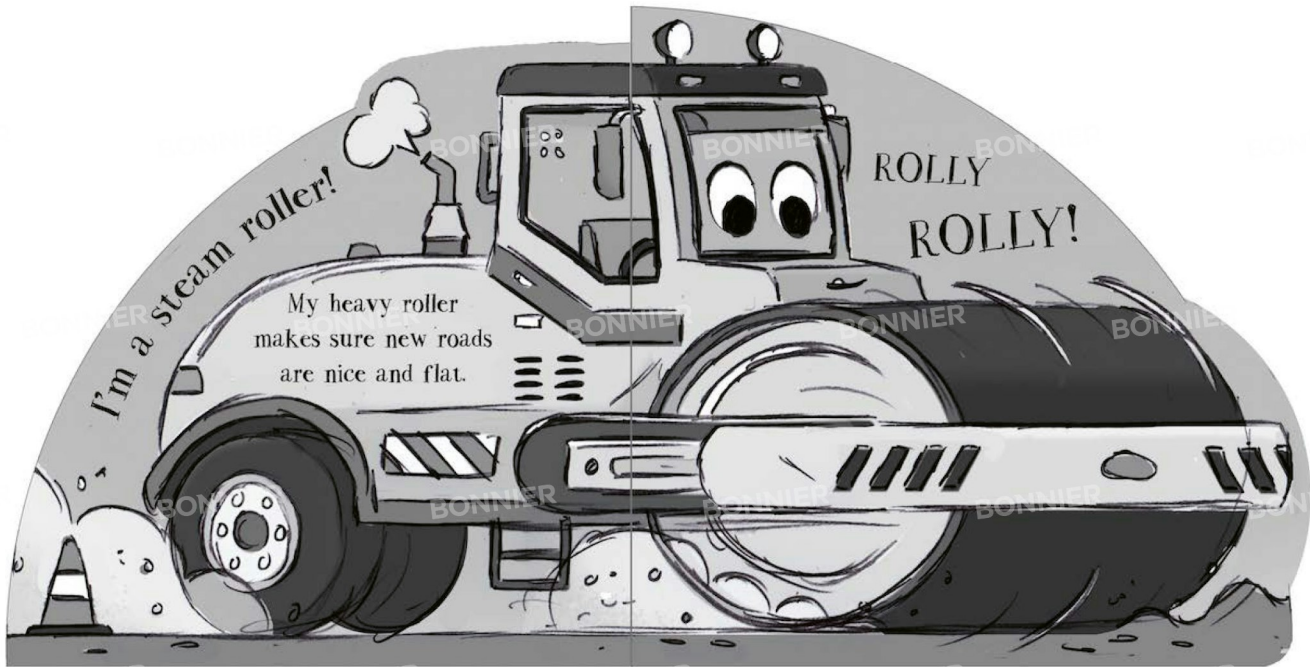

SCOOOP
SCOOOP!

My blade
pushes heavy objects
or can dig trenches.

My big drum spins around
to mix cement, sand and
water up to make concrete.

I'm a steam roller!

My heavy roller
makes sure new roads
are nice and flat.

ROLLY
ROLLY!
