TEAMWORK

The Wonderful Wild

Illustrated by Sarah Maycock

Illustration copyright © Sarah Maycock | Design copyright © Big Picture Press

A dynamic watercolor illustration of four dogs playing together in a joyful, chaotic scene. The dogs are depicted in various states of motion, some leaping and others pouncing, all rendered with expressive brushstrokes and splatters of paint. The colors used are primarily shades of orange, brown, and white, creating a warm and energetic atmosphere. The background is a light, textured surface with more paint splatters.
