

My Book of

NATURE

Isobel Lundie

All the flowers
from little daisies to beautiful roses.

All the animals
from deer to tigers and whales!

RUSTLE

All the trees

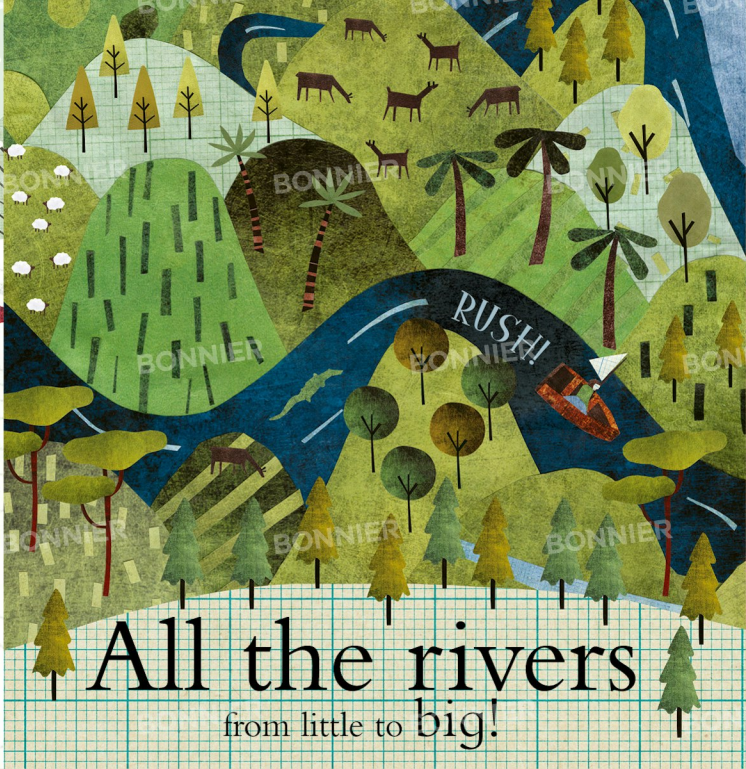

from maple trees to the tallest redwoods!

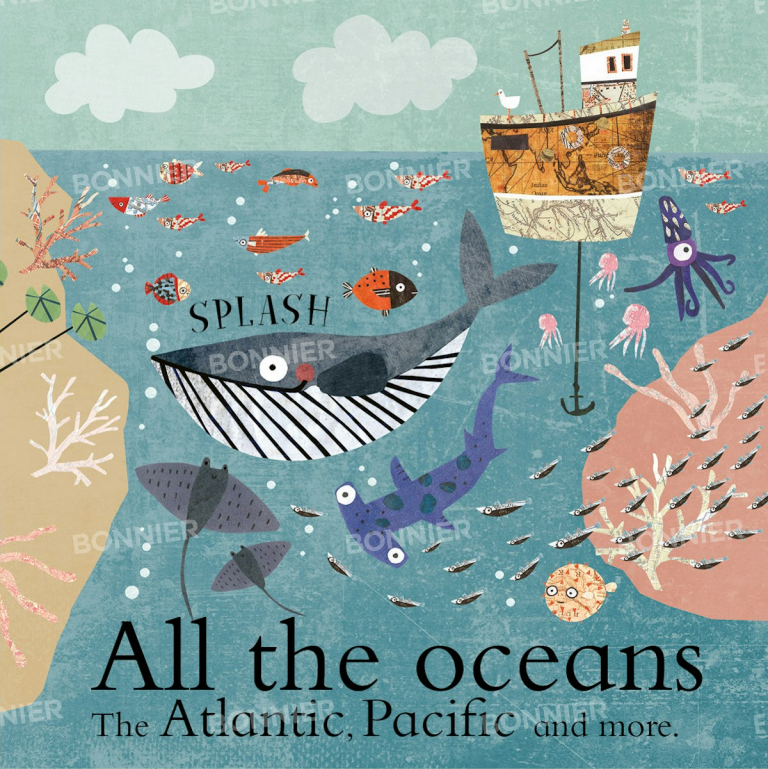

SHINE

All the seasons

Spring, Summer, Autumn and Winter!

All the rivers
from little to big!

All the oceans
The Atlantic, Pacific and more.

All the weather

Rain, snow, sunshine and storms!

All the Earth

Forests, mountains, jungles and deserts!

All the universe

Galaxies, stars, planets and comets!

All of you

from your toes to your nose!
