Welcome to the airport, an exciting place where adventures begin! Airports are bustling hubs filled with fascinating activities and incredible machines.

Watch as planes soar into the sky, and marvel at the busy ground crew loading luggage and preparing for takeoff.

Airports are like small cities, with shops, restaurants, and even their own emergency services.

So, grab your stickers and get ready to discover the wonders of the airport. Enjoy your adventure, and happy travels!

The Hub

This is the bustling heart of the airport where passengers board their planes! Did you know that some airport terminals are so big they have their own train systems? From here, you can see planes being loaded with luggage, and the control tower directing all the airport's activities. A busy ground crew makes sure everything runs smoothly!

Can you find...?

- Can you add a forklift truck? 
- Can you spot this tower? 
- Can you see this plane? 
- Can you find this tree? 
- Can you spot this runway? 
- Can you add some trees? 
- Can you spot these doors? 
- Can you find this pattern? 
- Can you add some cones near the door? 
- Can you add helicopters to the runway? 

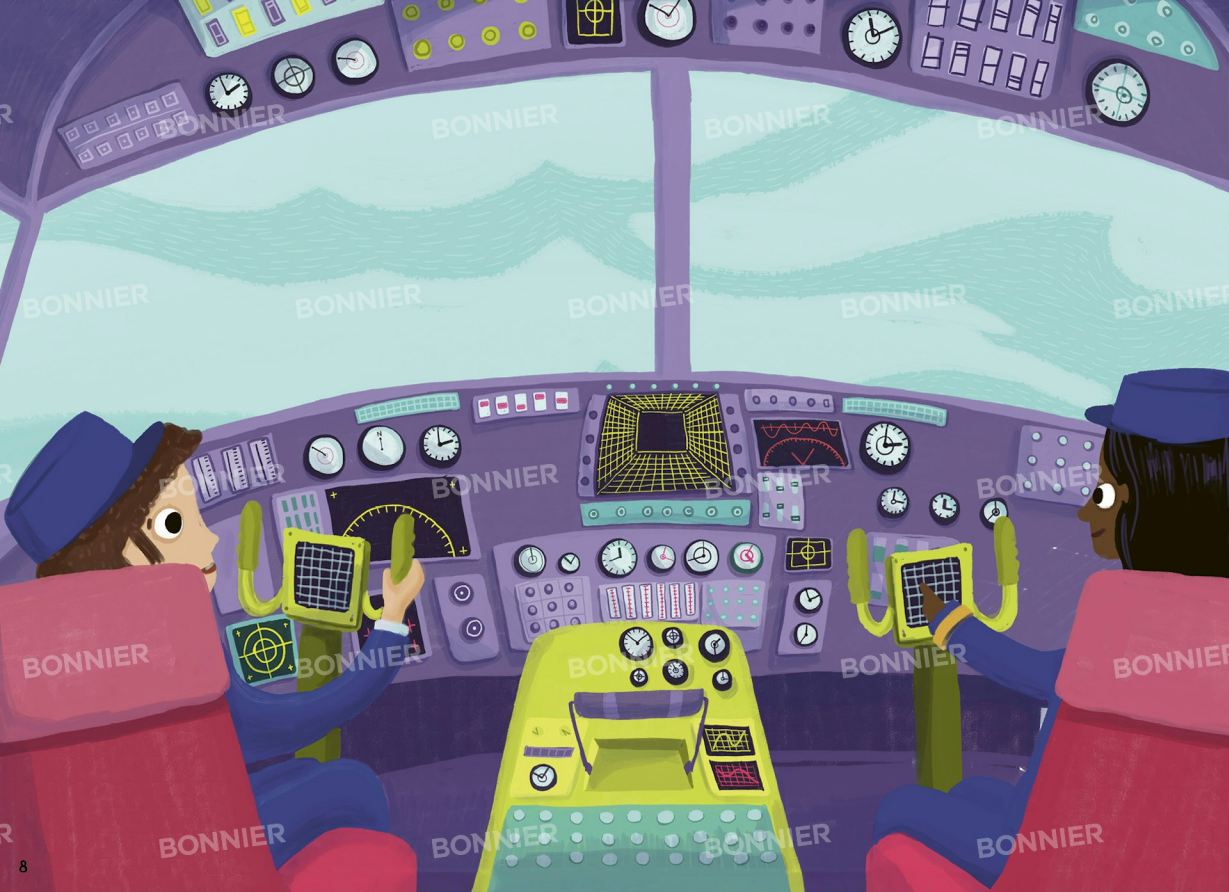

Loading

Did you know that a large part of a plane's weight is its fuel? Passengers and luggage actually make up very little of the overall weight! As the ground crew load the luggage, the flight attendant gets ready to welcome everyone on board. Planes are like flying fuel tanks with enough fuel to travel hundreds of miles!

Can you find...?

- Can you count all the windows on the plane? 
- Can you find the flight attendant? 
- Can you find this pattern? 
- How many lights can you count? 
- Can you spot this vehicle? 
- How many wings can you count on the plane?
- Can you find this bag? 
- Can you find this image? 
- Can you add some orange cones? 

Cockpit

Welcome to the cockpit, where the pilots fly the plane! Did you know that the two pilots always have different meals to avoid both getting ill? The cockpit is full of controls and buttons, and the pilots work together to keep the plane safe and on course. Look out the window and imagine the amazing view they have from up here!

Can you find...?

- Can you find this screen? 
- Can you add a duck? 
- Can you find the compass? 
- Can you add a helicopter? 
- Can you find these buttons? 
- Can you see the control wheels? 
- Can you point to this dial? 
- Can you find this pattern? 
- Can you point to the throttle lever? 
- Can you point to this screen? 

Cross-section

Take a look inside this jumbo jet! Did you know the air inside a plane cabin is drier than a desert? That's why it's important to drink plenty of water during a flight. You can see the cockpit, the rows of passenger seats and the compact toilets designed to save space. The windows are specially made to handle the high altitude and pressure changes during the flight!

Can you find...?

How many seats are in your plane?

Add some luggage.

Add some birds.

Can you point to this wing?

Can you find the toilet?

How many windows can you count?

Can you spot the intercom?

Can you find this pattern?

Can you find the mirror?

Can you add passengers?

Departures

Welcome to the bustling terminal, where every journey begins! Here you can see the security area with x-ray machines and metal detectors, the check-in desks where passengers get their tickets, and shops filled with magazines. Did you know that airports often have their own fire stations? The terminal is a hive of activity, making sure everyone is ready for their flight!

Can you find...?

Can you find this security guard?

Can you find this seat?

Can you point to the bus stop?

Can you find the departure board?

Can you add a taxi?

How many computers can you count?

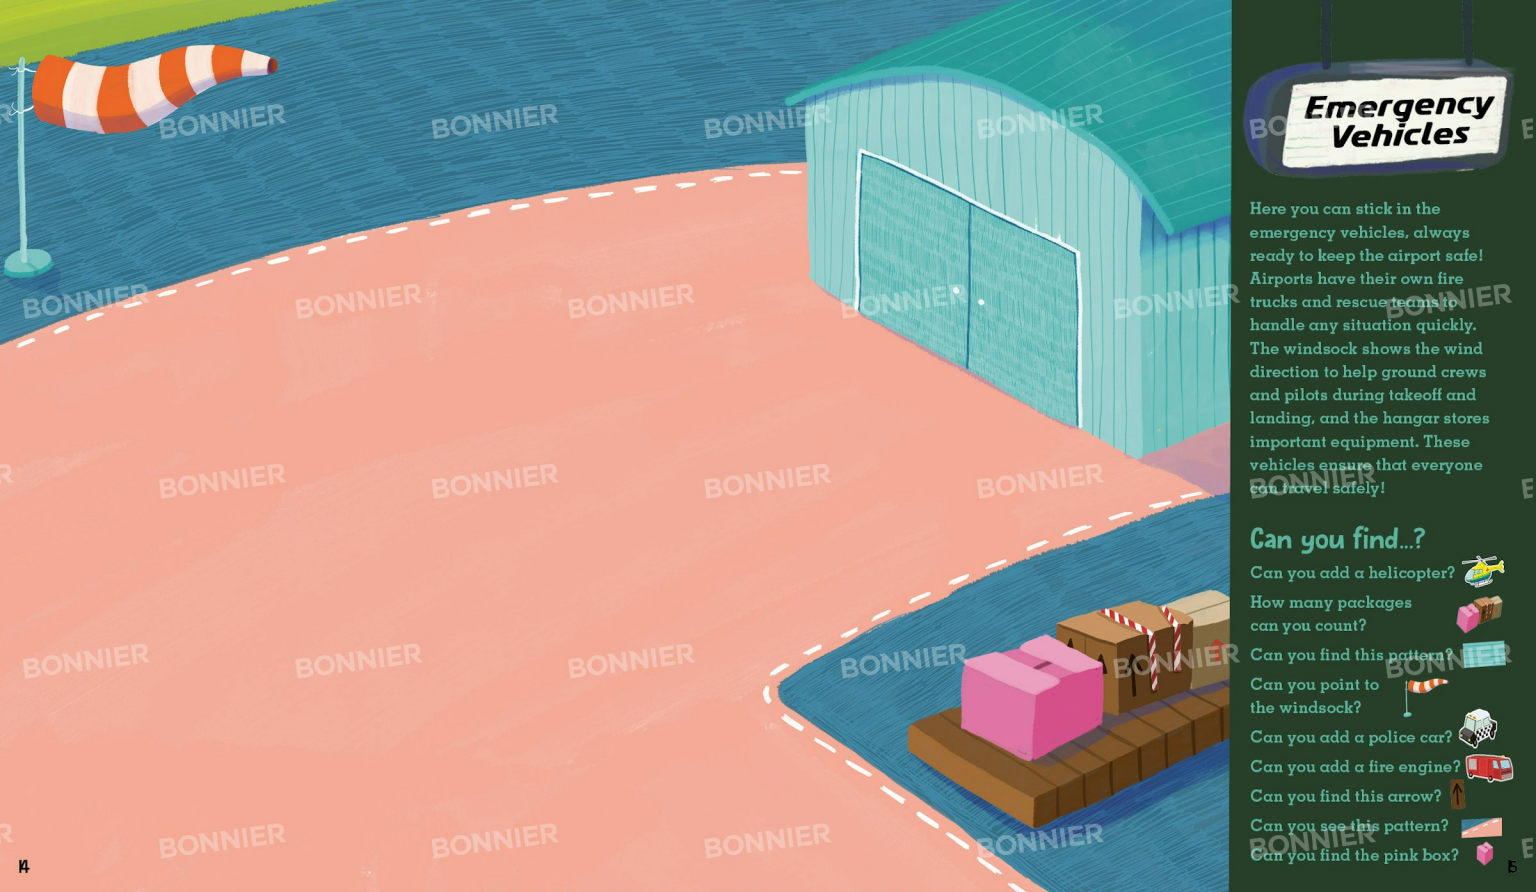

Can you find this image?

Can you find this window?

Emergency Vehicles

Here you can stick in the emergency vehicles, always ready to keep the airport safe! Airports have their own fire trucks and rescue teams to handle any situation quickly. The windsock shows the wind direction to help ground crews and pilots during takeoff and landing, and the hangar stores important equipment. These vehicles ensure that everyone can travel safely!

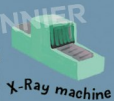

Can you find...?

- Can you add a helicopter? 
- How many packages can you count? 
- Can you find this pattern? 
- Can you point to the windsock? 
- Can you add a police car? 
- Can you add a fire engine? 
- Can you find this arrow? 
- Can you see this pattern? 
- Can you find the pink box? 

Treasure hunt

Try to find everything on this page by searching through each airport scene. Stick the tick sticker in the box next to each object once you have found it.
