How to Use Story Path

Story Path is a special kind of story – one where YOU get to choose who you meet, where you go and what you do.

It's easy...

- * just decide which path you'd like to follow
- * describe what you see
- * then follow the path on to the next page

Want to ride an elephant through an enchanted forest, battle a troll or dress up like a princess? Fancy meeting a spooky cat, or turning a hairy monster into a teapot? Anything is possible with Story Path!

Follow the example on this page to see how it works!
