

ORION
AND THE

DARK

AFRAID OF THE DARK?
MEET MY INCREDIBLY FRIENDLY
FEAR REMOVER!

EMMA YARLETT

Of course I've tried all kinds of things to solve the problem...

- ✓ HIDE FROM THE DARK PLACES WHERE THE MONSTER'S LIVE
- ✓ AVOID THE DARK
- ✓ MAKE NIGHT VISION OODLES BETTER

But nothing EVER works. And before I know it...

It's bedtime again.

I hate bedtime.

The night that changed everything, began like any other.
I kept an eye out for monsters...
I kept an ear out for scary noises...

But as it got darker...

and darker...

and darker...

I couldn't take it anymore.

And that's when something strange happened.

JIBBERING
JELLYFISHES!
~~~~~

Outside my window the Dark seemed to come alive!

And a **thing** I'd never  
seen before dropped  
in for a visit.
