

Sam Usher

SNOW

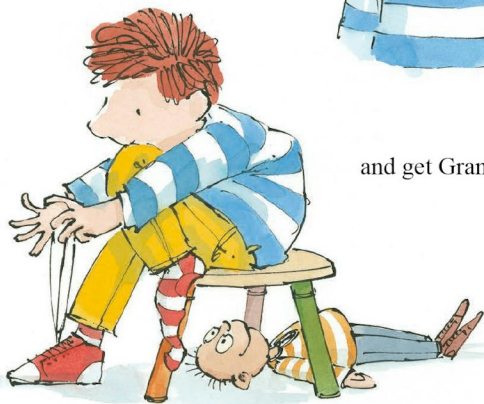

All I needed to do
was dress,

wash, put my
shoes on,

and get Grandad.

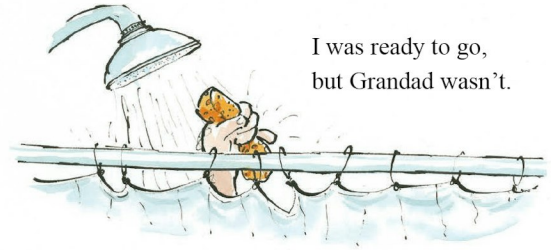

We had to get outside
in the SNOW...

... before anyone else.

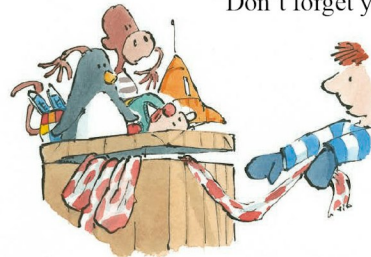

I was ready to go,
but Grandad wasn't.

I said, "Don't forget
the snow!"

And he said,
"Don't forget your scarf."

So we weren't quick enough to be first.
