SWAP!

illustrated by Rachel Suzanne

My best friend Rose has straight,
swishy hair. I LOVE it!

Whenever she walks or
runs it flows. It's so long -
almost down to her toes!

It's not fair. I want her hair.

Oh but I think that
Rose wants mine!

'Mai your hair is so bouncy and
soft. It feels just like a big hug.'

That's when I have my
BIG, MEGA MAGIC IDEA!

'I won a magic coconut. She grants wishes.'

'If I hold her tight and call ...

My Little Coco.

my Little Coco.

my Little Coco!

... she wakes up.'

Hello Mai, what's your wish today?

Fly to the moon?

Swim with a dolphin?

Ride on a unicorn?
