Bill quickly ducked into the den to hide. He was scared of lots of things. In fact, almost EVERYTHING! But the thing that terrified him the most was GIGANTOSAURUS.

The little dino lay quivering under a leaf, until he heard a familiar voice outside. It wasn't Giganto stomping around. It was Ayati, the wise old brachiosaurus.

Ayati was always ready to listen to the little dinos, so Bill told her how frightened he was of Giganto.

"Some day when you're big like me, you won't be afraid," Ayati reassured him. "Why don't you come up here and see what it's like?"

At first, Bill was scared to be so high up, but he soon began to enjoy himself.

“Look at me!” he called, waving to his friends below. “I’m **BIG!**”

From his high viewpoint, Bill could see right across the savannah. Pterosaurs flew past him and he could see his herd grazing in the distance.

Back at the den, Tiny, Mazu and Rocky couldn’t wait to hear all about Bill’s ride with Ayati.

“It was amazing!” Bill told his friends excitedly. “I wasn’t **EVEN** scared of Giganto.”

That’s when Bill decided that he wanted to be big **NOW**. How could he grow big **FAST**?

Wise old Ayati had an idea. "There's a mysterious dinosaur in Cretacia who knows ALL the secrets to growing up," she told them.

Do you think  
you can find out  
who it is?

Bill didn't want to waste any time. Together, the little dinos raced off to start looking.

There was just one problem – they had no idea what the mystery dino looked like! Tiny pointed to a large, **LEAFY-LOOKING** dinosaur up ahead.

"Could that be the mystery dino?" she said.

Bill took a deep breath and tried to be brave as he approached. "E-e-excuse me . . . are **YOU** the mystery dino?"

NO! I'm the Marshally dino!

It was just Marsh the stegosaurus, playing hide-and-seek! He came out of the bush covered in leaves.

Marsh was younger than the other dinos, but he was already much bigger. Maybe HE knew the secret to growing up.

Suddenly, Rugo the rat popped out of his underground tunnel right in front of them. Marsh squealed in fright and leapt into Bill's arms!

It's only me!

Bill was surprised. "How can a **BIG** dino like you be scared of something as **SMALL** as Rugo?" he asked Marsh.

"Being big doesn't mean you're never scared of stuff," Marsh replied.

Since Marsh wasn't the mystery dinosaur, Bill and his friends said goodbye and headed off to keep looking.
