

Rochelle Humes the MEGA Magic Teacher SWAP!

Illustrated by Rachel Suzanne

Mrs Bee is so kind.
She tells the most magical stories . . .

. . . and paints the prettiest pictures.

'I love our class so much, Rose. I never want to leave.'

But this is our last day with Mrs Bee.

She says we are moving into a new class soon and we will have a new teacher.

'I feel nervous,' says Rose. 'I don't want a new teacher.'

'Rose, I have an idea, let's get Coco to help us stay in Mrs Bee's class forever. She can grant us our wish!'

'I just need to hold Coco tight and call ...'

My Little Coco.

my Little Coco.

my Little Coco!

'Hello Mai, what's the matter?'
says Coco.

'Oh girls, moving into a new
class is part of growing up,
but if that's your wish ...'

'We have a very special wish Coco.
We want to stay in Mrs Bee's class forever.'
