The Bad Day

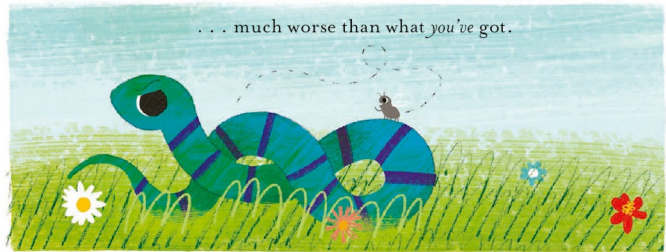

Frann Preston-Gannon

"But wait, what's this? I climbed up high
to get this juicy nut.
And now I'm here, it would appear,
I am completely stuck!"

"I thought I'd found some breakfast,
but as you surely see,
things did not go to plan at all;
my face is in a tree."

"My day is even worse than that,
it's really made me frown.
Everything was going well,
but now I'm upside down!"

"Oh, stop complaining, all of you,
it's more than I can take!
My lunch has disagreed with me
and made my stomach ache."
