

The Secret of Me

A celebration of
the power of
imagination

Maybe a pirate exploring the seas, finding new islands of coconut trees.

Perhaps I'll tame dragons
and soar through the sky,
past snow-dusted mountains
and deserts so dry.

Or maybe I'll have
some adventures afar,
play with the planets
and cartwheel through stars.

I'll fly a balloon
and I'll win the first place
in the world's most amazing
hot air balloon race!
