# Let's Grow!

With  
sliders  
and  
flaps

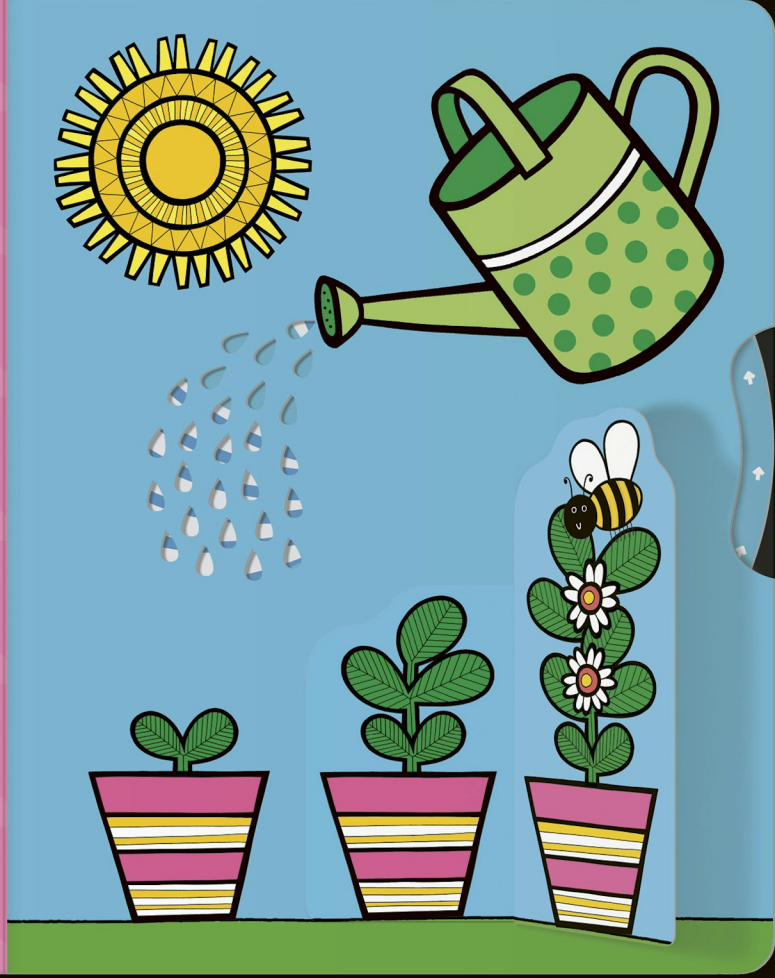

It's time to  
**plant** the garden!

Can you **SOW**  
the seeds and  
**wait** for them  
to sprout?

It's time to **water**  
the garden!

Can you **sprinkle**  
the plants and  
**watch** them  
grow?

It's time to  
**weed**  
the garden!

Can you **pull up**  
the dandelion  
and **find** the  
hungry bugs?

It's time to  
**enjoy**  
the garden!

Can you **help**  
the flowers bloom  
and **collect**  
the vegetables?

What a beautiful garden!
