MEGAMESS

Julia Christians

Hello Bob,
I'm MEGAMESS!

"Congratulations! Not enough children know
how to make a proper mess these days,"
Megameess said. "A good...

A good, old-fashioned, rotting-apples-smelly-pants kind of a mess.

But you do!

That's why I'm here. We're going
to take this mess to the **NEXT LEVEL.**"

The world leaders held an emergency meeting.

This mess is getting out of control!

The penguin is right!

&#@%!

But it's too big for us to tidy up!

And we've got too many other important things to worry about.

Let's just shove it out to the sea with the rest

So that's what they did.

They wiped off
the gunge.

They mopped up
the beans.

They un-trashed the ocean

and cleaned up the shore.
