

Noah's New Home

Zeshan Akhter

Nabila Adani

There was a knock at the door.
It was their neighbour, Eliyah.

Hi, Noah!
Come outside and watch
the fireworks with us -
everyone is so excited!

Look!
Here comes
one now...

WHEEEEEEE!

A whistling sound climbed through the air.

FIZZZZZ!

There was a noise like paper being unwrapped.

BANG!

Noah shielded his head.

Oh, are you
scared of
fireworks?

Don't worry, Noah,
let's play inside instead.
Do you like to draw?

Elyah's drawings reminded Noah of the jasmine
and apple flowers in the garden of his old home.

Then there was another knock at the door...

Noah, it's
our friend,
Miss Anoushka!

Would you like to listen
to some music tonight?
Music always helps
me feel better...

Noah nodded.
