

I believe in me.
There's nothing I can't do.

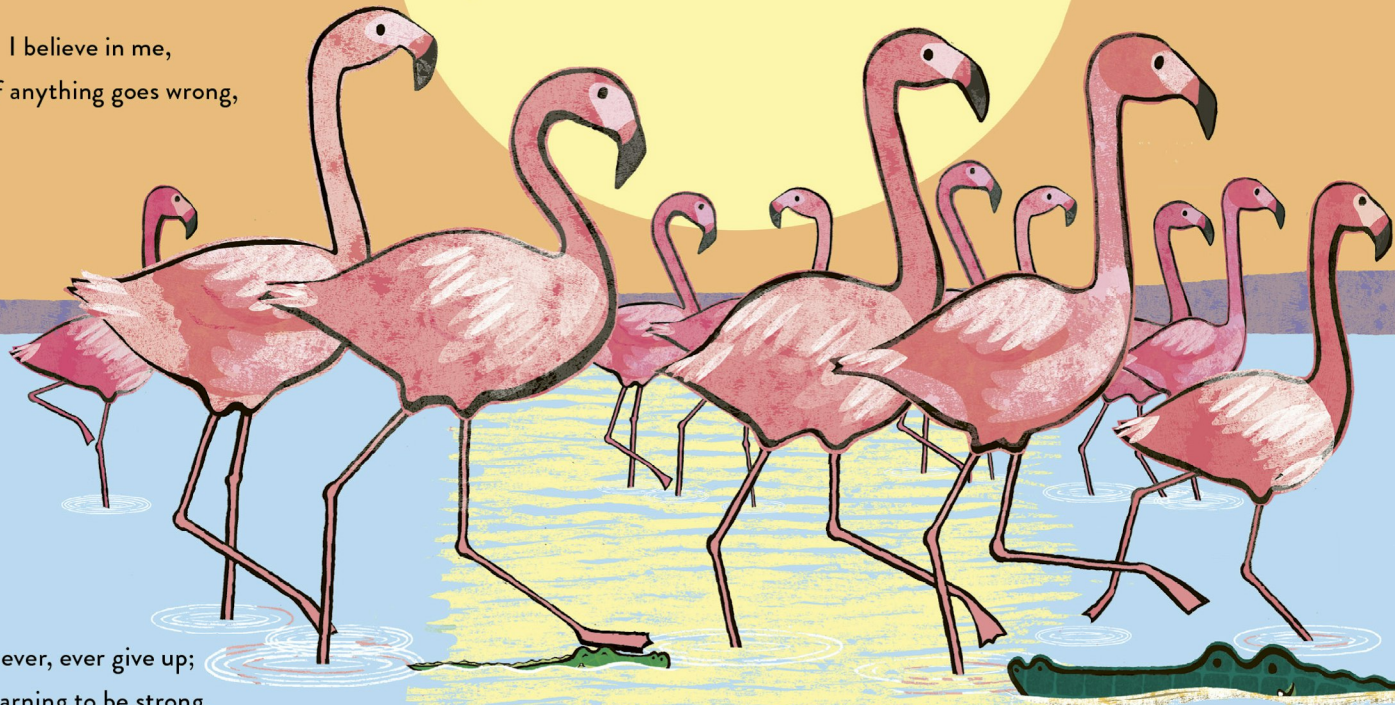

That's what you have taught me,
and I believe in you!

I believe in me.
I'm as good as all the rest.
I know I can do anything
if I just try my best.

I believe in me,
and if anything goes wrong,

I'll never, ever give up;
I'm learning to be strong.

I know the sun will shine for me
again, another day.
