

# THE GREATEST GIFT

Emma Dodd

I would give the world to you,  
if I only could.  
I'd give you the sun, the moon  
and everything that's good!

If I could, I'd give you  
the waves upon the sea,  
all the sand upon the beach,  
the warm wind blowing free.

I'd give you all I have,  
each smile of surprise,  
each beat of my heart,  
and the twinkle in my eyes.

All this and more I'd give you,  
if I only could . . .
