A giraffe, a bear, and a cat are looking at a red balloon that is stuck in a tree. The giraffe is on the left, the bear is in the middle, and the cat is on the right. The tree is large and has a brown trunk and green leaves with white dots. The background is white with pink hills and a pink and white checkered ground.

Oh no, the red balloon is stuck in a tree.

A blue bird with a white belly and black spots is flying up to a red balloon. The bird is on the right, and the balloon is on the left. The background is pink with white clouds and green trees. One tree is large and has a brown trunk and green leaves with white dots, and it has five red apples hanging from its branches. There are also two smaller green trees with brown trunks.

Kiwi the bird flies up to get it.

Can you count the red apples?

The green balloon
is over there!

Josephine the mouse has found it.
Well done, Josephine!

It's outside Sophie's house.**

**And now it's time for
everyone to go home.**

**Goodnight Sophie!
Goodnight everyone!**
