Five Little Chicks

Lily Murray • Holly Surplice

FIVE little chicks
went out one day,
over the hills and far away...

CHEEP
CHEEP

CHEEP
CHEEP

FOUR little chicks
went out one day,
over the hills and far away ...

Oh wow -
owl babies.
Hoot hoot

Mamma Hen said,
"Hurry back to me!"
Now how many chicks
can you see?

You've found a chick
behind the bluebells.

Mamma Hen said,

Now how many chicks
can you see?

A chick in the
pig pen!
Cheep cheep

Sad Mamma Hen
went out one day,
over the hills and far away ...
