Five Little Ghosts

Lily Murray • Holly Surplice

Who's hiding
behind the deer?

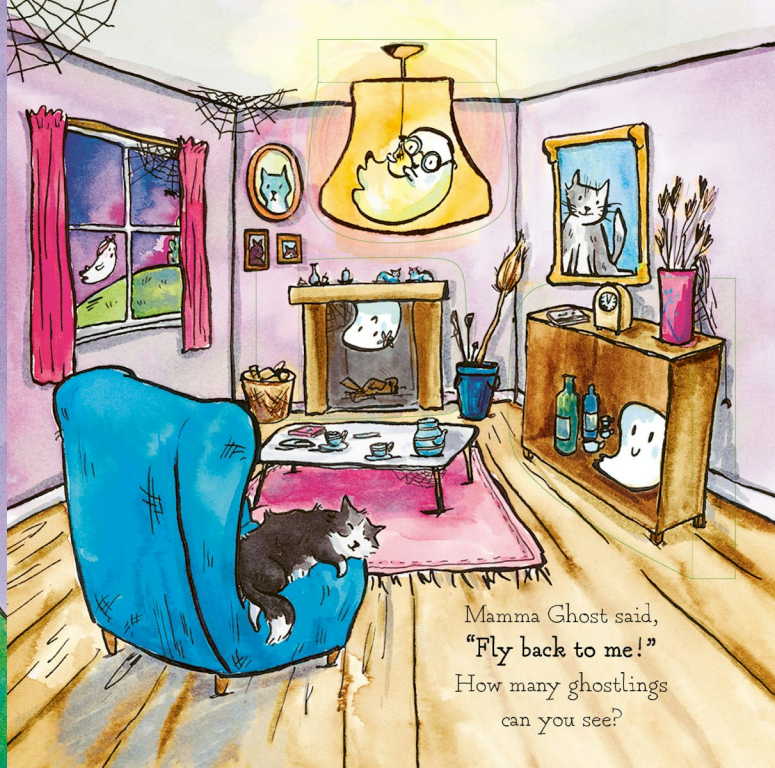

It's a little
ghostling.
Whooooooooo!

Oh look! It's another
little ghost and
a curious hedgehog.

This little
ghost is
cuddled up
with 3
baby owls.
Twit-twoo!

Here's a ghostling,
hiding behind Mamma Fox.

FOUR little ghosts
floated off one day,
over the hills and far away...

Mamma Ghost said,
"Fly back to me!"
How many ghostlings
can you see?

This little
ghost is swinging
on the light!
Wheee!

Here's a
ghostling
playing
peek-a-boo!

Who's
hiding in this
cupboard? It's a
little ghost.
Whoo whoo!
