

Naughty Kitty!

A hilarious tale
from the
creator of
Silly Doggy!

Adam Stower

Kitty!

but otherwise he
was quite cute,

He was a bit scruffy...
and no good at tricks...

especially when you
tickled his tummy.

And Mum was right,
he wasn't any trouble at all...
at first.

But then, just for a moment,

Lily left him alone...

It was a catastrophe.
