

IMAGINE IF...
FRUITS!

Hello yellow bananas,
all bunched up side by side.

But I imagine IF...

A wobbling watermelon,
with insides red and PIPPY.

But I imagine IF...

...it was an umbrella,
wet and drippy!

Rolling, round, ripe oranges,
so full of vitamin C!

But I imagine IF...

...they made a bicycle for me!

Hooray for all the fruits we eat.
they're whacky, wild and free.

...there is nothing
they can't be!

With my imagination...
