Shapes,
colours,
numbers
& more

Shapes

Sophie and her friends have come to the seaside to enjoy the sun. What shapes can you spot?

triangle

circle

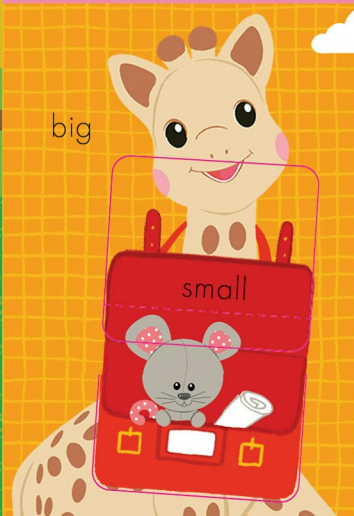

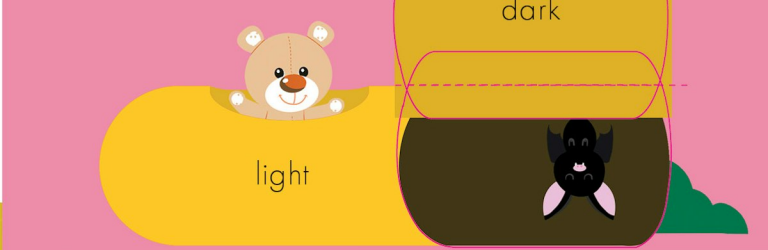

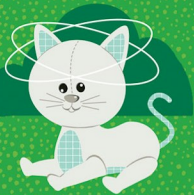

cone

rectangle

square

Opposites

Now everyone is at the park.
The playground is always so
much fun. Lift the flaps to see
what is happening.

Numbers

Down on the farm, the animals are busy planting and picking tasty vegetables. Lift the flaps to count the crops!

1

one tractor

2

two

3

5

five

The farmer's market has even more fruits and vegetables. What can you see?
