IMAGINE IF...
BUGS!

Beautiful bright butterflies,

flit-fluttering everywhere.

But I imagine IF...

... they were the ribbons in my hair!

A big brown gentle beetle,
with mighty jaws upon his head.

But I imagine IF...

...they hung my washing
out instead!

A glorious green mantis,
with bulging eyes, and legs so tall.

But I imagine IF...

...it was a see-saw for us all!

Busy yellow honeybees,
in their beehive making honey.

But I imagine IF...

...their hive had lights so bright and sunny!
