

Jane Foster's
**I LOVE
Pink**

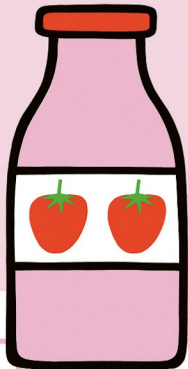

I have a large pink sunhat –
it's one that Granny chose.
My hat's so large it makes me smile,
it covers up my nose!

I love my rollerskates.
They're more fun than you think!
My daddy has a green pair
but I **had** to have pink!

Pink strawberry milkshake,
it's the drink for me!

I also love pink beetroot
and radishes for tea!
