# I LOVE Pink

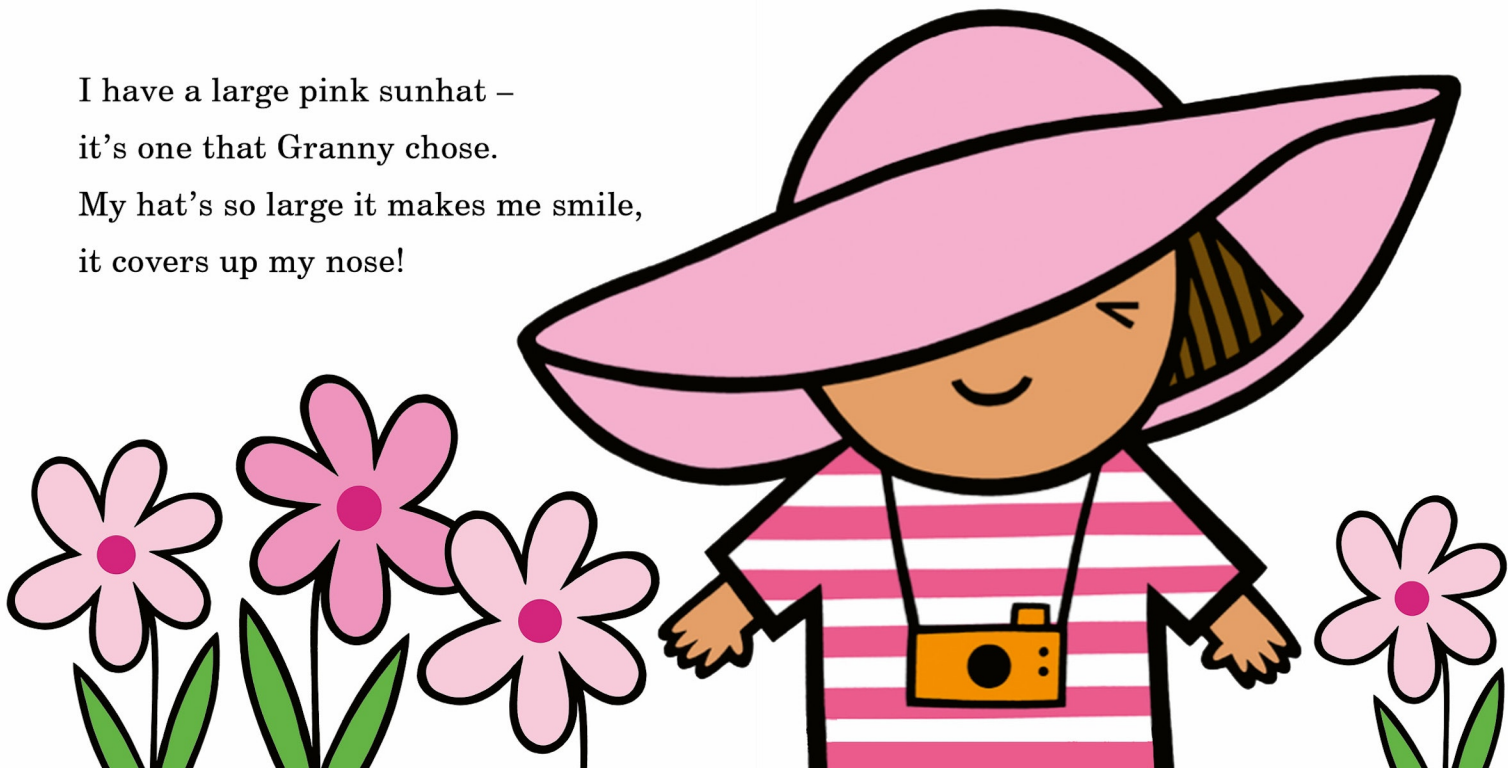

It's the colour of my patterned scarf  
that Auntie gave to me.

It makes me want to spin around  
whilst singing 'look at me!'

I have a large pink sunhat –  
it's one that Granny chose.  
My hat's so large it makes me smile,  
it covers up my nose!

I love rollerskating.  
It's more fun than you think!  
My daddy has a green pair  
but I had to have pink!
