# I LOVE Blue

Blue like the sky  
I always try to reach.

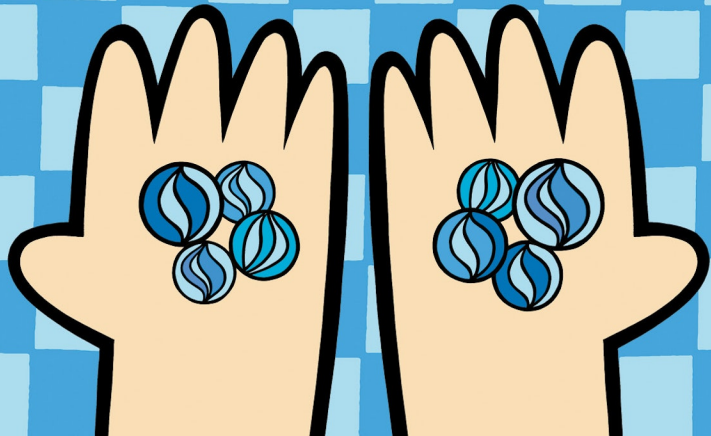

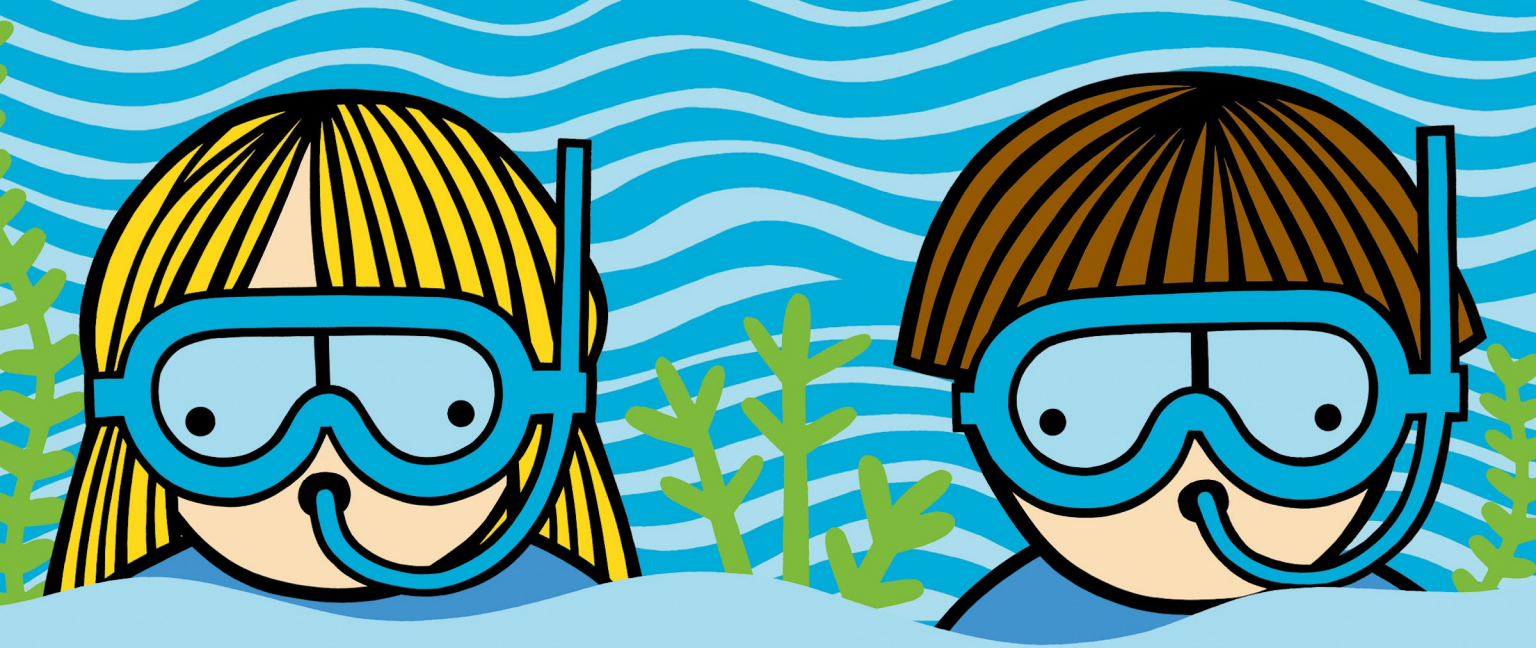

I love to wear my old blue hat –  
it makes me feel ok.  
I never want to take it off.  
It's on my head all day!

I love collecting marbles,  
the best you've ever seen!

I only like the blue ones,  
not red or pink or green.

We wear blue snorkels at the pool

and dream we're in the sea.
