Mel Matthews

I'm a **dolphin**. My baby
has two flippers and loves
to twirl in the water.
Can you find her?

I'm a
calf.

A large cartoon turtle is swimming in the ocean. It has a large, patterned shell and a friendly expression. The background shows stylized seaweed and bubbles.

I'm a turtle.
My baby is very small and
has a hard, patterned shell.
Can you find her?

A small cartoon turtle hatchling is swimming in the ocean. It has a smaller, patterned shell and a friendly expression. The background shows stylized seaweed and bubbles.

I'm a
hatchling.

A large brown seal is swimming in blue water. The seal has large white eyes and whiskers. The background features stylized blue waves and white icebergs. The seal's body is curved, and its tail is visible on the right side.

I'm a **seal**. My baby
has a fluffy white coat
and a black nose.
Can you find him?

A small, fluffy white seal pup is sitting on a piece of ice. The pup has large black eyes and a small black nose. The ice floe is white and has some blue shading to indicate texture. The background is blue water with white bubbles.

I'm a
seal pup.

A large, light blue cartoon shark is swimming towards the right. It has a white belly, a dorsal fin, and a tail. Its mouth is open, showing red gums and white teeth. The background is a dark blue ocean with bubbles and dark rocks at the bottom.

I'm a **shark**. My baby has
a pointy fin on its back
Can you find him?

A small, light blue cartoon shark pup is swimming towards the right. It has a white belly, a dorsal fin, and a tail. Its mouth is open, showing red gums and white teeth. The background is a dark blue ocean with bubbles and dark rocks at the bottom.

I'm a
shark pup.
