# Pretty caterpillar

Tear circles out of different coloured papers. Stick them on to finish the caterpillar's body.

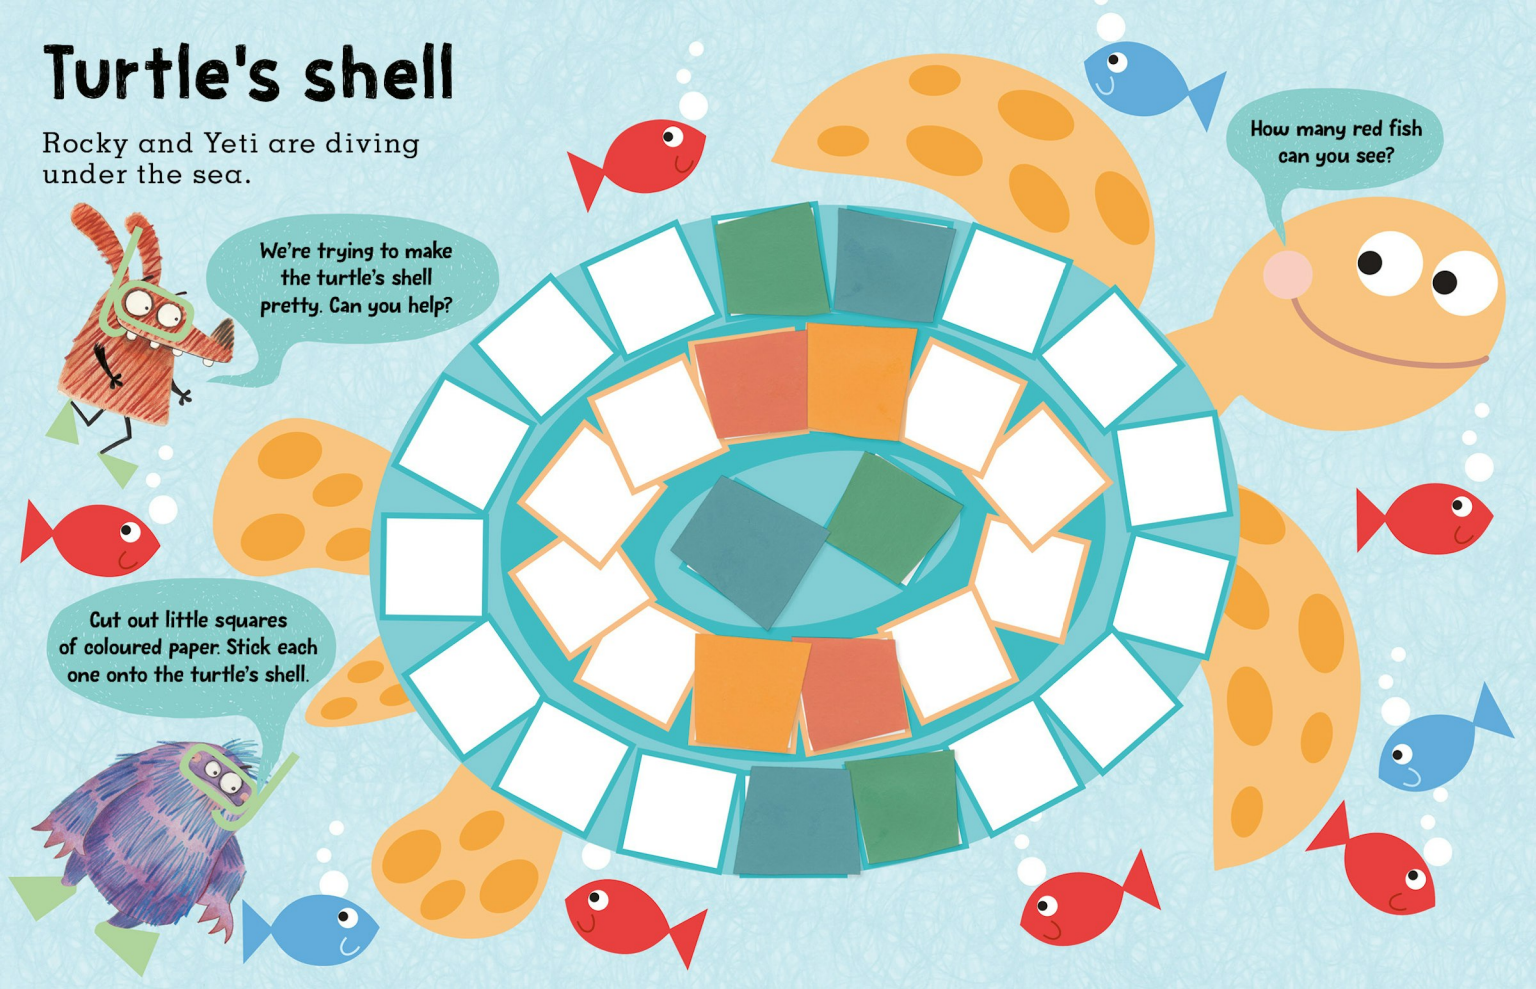

# Turtle's shell

Rocky and Yeti are diving under the sea.

We're trying to make the turtle's shell pretty. Can you help?

Cut out little squares of coloured paper. Stick each one onto the turtle's shell.

How many red fish can you see?

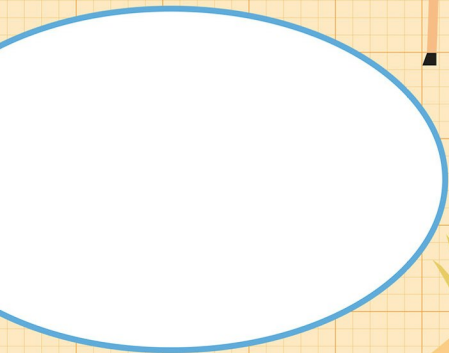

# Safari fun

Rocky and Zork have work to do – the lion needs a mane. Can you help?

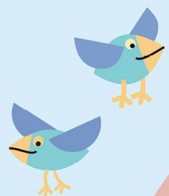

Tear strips of yellow, orange, brown and red paper. Stick them around the lion's face.

I'm thirsty! Can you fill the lake with water for me? Tear an oval shape from blue paper and stick it in place.

# Magic rainbow

Whippy and Yeti can see  
a rainbow in the sky.

How many birds  
can you see?

How many colours are in  
a rainbow? Help us to add  
each rainbow colour.

Cut out lots of little paper  
squares in red, orange, yellow,  
green, blue, dark blue and  
purple. Stick them on to  
finish each stripe.
