

Lift the FLAPS to find the penguins!

Five Little Penguins

Lily Murray • Holly Surplice

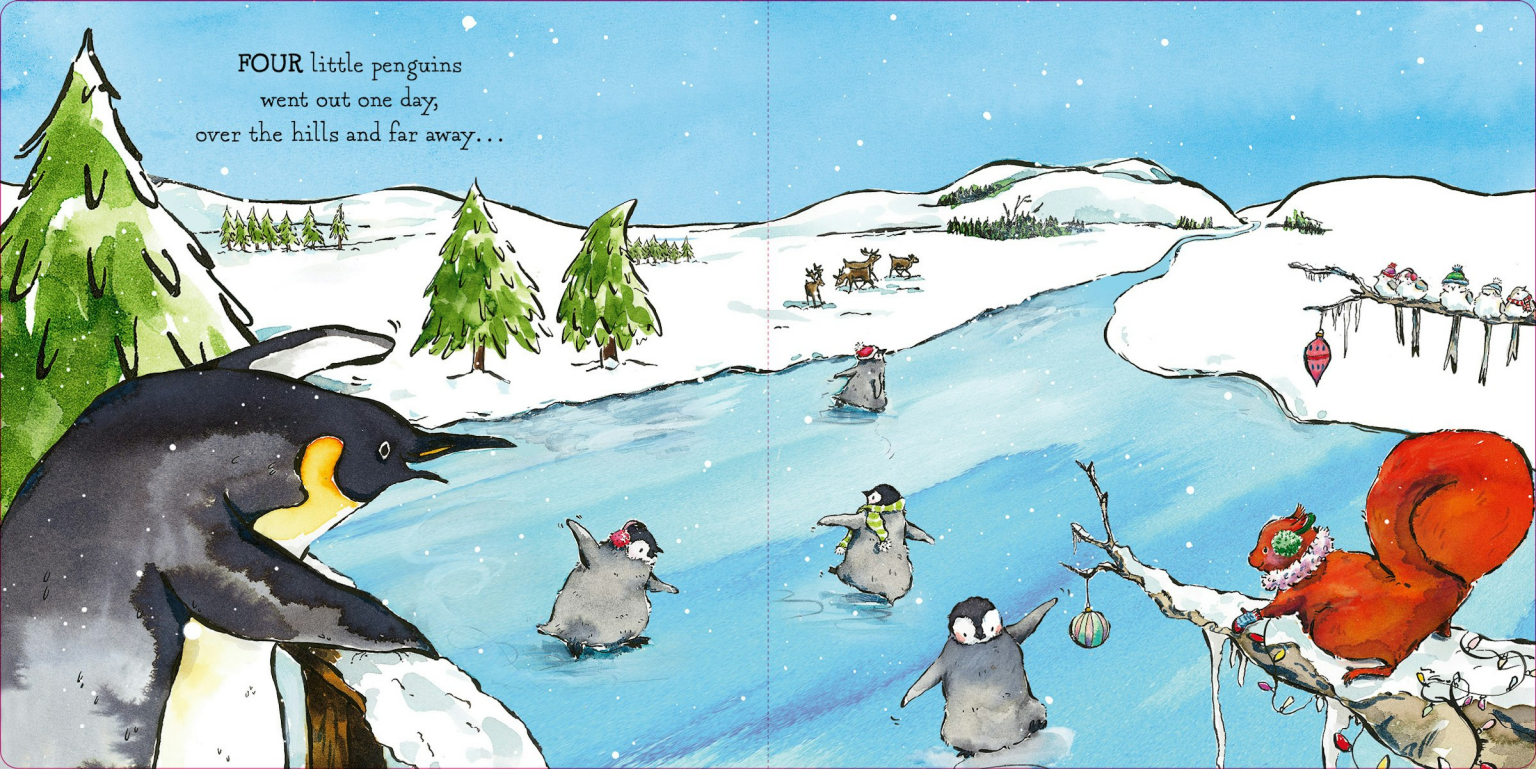

Who's hiding
behind the deer?
It's a little penguin.

Whee!
This little
penguin's doing
a tummy slide.

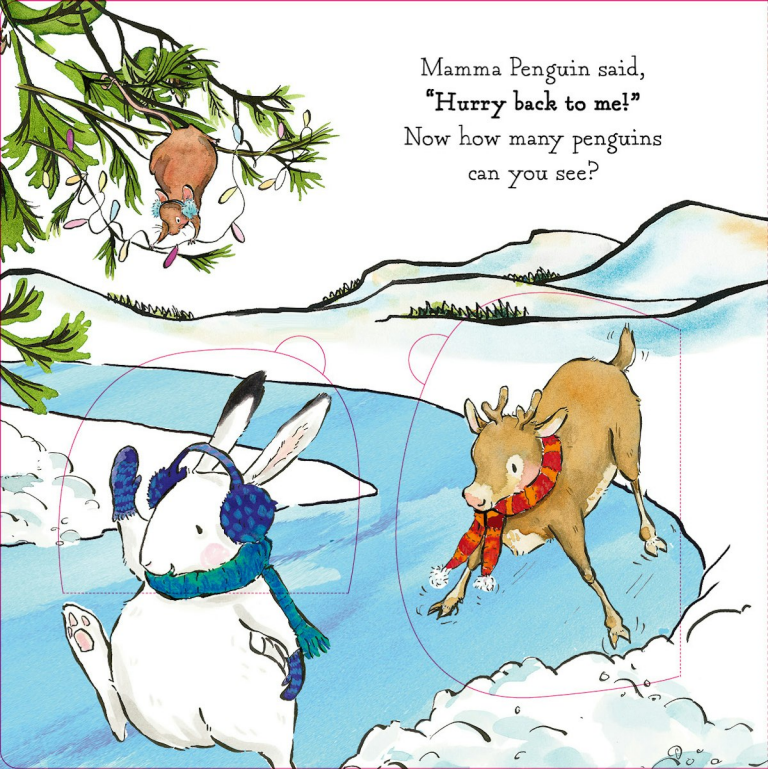

Another little penguin,
under a pile of snow,
Peep peep peep

Oft Tumble, tumble!
Hello, little penguin.

FOUR little penguins
went out one day,
over the hills and far away...

Mamma Penguin said,
"Hurry back to me!"
Now how many penguins
can you see?

THREE little penguins
went out one day,
over the hills and far away...
