

A HEART-RENDING NOVEL ABOUT THE QUEST TO BELONG, THE POWER OF LOVE, AND WHAT IT IS TO BE HUMAN

- A genre-defying story of life, love and the universe, tackling themes of identity and belonging, and encompassing romance, contemporary sci fi, and thriller.
- Powerful and electrifying high concept: an alien girl falls in love with a human boy, but what does it mean for both their people?
- Beautiful and cosmic romance at the heart of the story; think the star-crossed love of *THE INVISIBLE LIFE OF ADDIE LA RUE* mixed with the tear-jerker ending of *THEY BOTH DIE AT THE END*.
