Little Explorers: When I Grow Up

WHEN I GROW UP...
What do you want to be when you grow up? There are lots of exciting jobs to choose from and thinking about the subjects you most enjoy at school is a good place to start.

Time for school!
Whether you're the head teacher running the school, the teaching assistant helping in the classroom or the cook creating tasty meals, there's a lot to be done on a busy school day!

Animal lover
If you like looking after the class pet, a job working with animals might be for you.

Maths
If you are good at maths and enjoy working out sums and number puzzles, you could put this to good work in lots of jobs!

P.E.
If you love being active and are full of energy, then a job playing sport might be for you.

Science
People who work in science discover facts about the world we live in, like how plants grow or how our bodies work.

Teach me!
Teachers plan fun and interesting lessons to help you understand all the new things you learn at school.

Teacher
Teaching assistant

English
Do you like reading and writing stories? Good spelling and grammar are important skills to have wherever you work. Maybe you will write your own book one day!

Art
Are you full of creativity? Whether you draw, paint or design, there's a job just right for you.

Computing
Are you a whizz with technology? Most jobs use computers in some way.

Animal lover
A person who loves animals and wants to work with them.

Maths
A person who is good at numbers and enjoys solving problems.

P.E.
A person who enjoys playing sports and staying active.

Science
A person who is interested in how things work and wants to learn more.

Teacher
A person who teaches children in a school.

Teaching assistant
A person who helps the teacher in the classroom.

English
A person who likes reading and writing.

Art
A person who likes drawing and painting.

Computing
A person who is good at using computers.
