Alice in Wonderland (Disney Animated Classics)

Disney Alice in Wonderland

Once upon a time, on a warm afternoon, a young girl named Alice sat in a tree with her cat, Dinah, as her sister read aloud from a very boring book.

"Alice, will you kindly pay attention to your history lesson!" scolded her sister.

But Alice found it hard to listen to a book without pictures. Alice told her sister that in her world books would be nothing but pictures.

"What nonsense," Alice's sister replied.

"Nonsense! That's it, Dinah. If I had a world of my own, everything would be nonsense." Alice told us the wonderful world of a field of flowers. "You'd be just like people, Dinah. And all the other animals, too."

Disney Alice in Wonderland

Alice looked into the hole. She thought it was a strange place to have a party. "You know, Dinah, we really shouldn't be doing this," said Alice as she stepped into the hole.

"After all, we haven't been invited. And curiosity often leads to trouble!"

At that very moment, Alice fell into a very deep pit.

As Alice spoke, a white rabbit hurried by. It was an ordinary rabbit.

This rabbit wore a red jacket and carried an enormous gold watch.

"Oh, my fur and whiskers!" declared the White Rabbit. "I'm late!"

Alice wondered if he was late for a party. She called for him to wait, but the White Rabbit did not stop. He hurried towards a tree and disappeared into a hole among the roots.

"Goodbye, Dinah," she called. Dinah waved goodbye.

As Alice tumbled deeper and deeper, her skirt opened up like a parachute.

The pit was very dark. As Alice floated downwards, she turned on a lamp and saw that the sides of the pit were decorated with wallpaper and pieces of furniture.

"What if I should fall right through the center of the earth!" wondered Alice. "And come out the other side where people walk upside down!"

Alice did land upside down, with her feet hooked over a curtain pole.

Ahead, she saw the White Rabbit run down a topsy-turvy corridor. Alice tried to follow.

"Oh, Mr. Rabbit! Wait, please!" called Alice.

Disney Alice in Wonderland

Unsure of which way he went, Alice turned to see a door closing. She opened the door only to discover that behind it lay a smaller door. Behind this door was an even smaller door, followed by another and another. Once Alice had opened all the doors, she squeezed through.

"Curiouser and curiouser," she wondered aloud.
